

# DIVINE PLAN AFFIRMATION

BY: CATHERINE PONDER

I now let go and let God unfold the divine plan of my life. I am now attuned to the divine plan of my life. I now cooperate with the divine plan of my life. Divine Wisdom in me now manifests the divine plan of my life quickly and in peace.

I now recognize, accept, and follow the divine plan of my life as it is revealed to me, step by step. I rejoice in the divine plan, which is the sublime plan, and which includes health, wealth, happiness, and perfect self-expression for me now.

I am fully equipped for the divine plan of my life. I am more than equal to the situation, as I expand quickly to the divine plan.

There is a divine plan for my life. That divine plan is unfolding for me now.

Nothing can hinder the divine plan of my life. No one can delay the divine plan of my life. What God has given me cannot be diminished.

Divine Wisdom in me now reveals, unfolds, and manifests the divine plan of my life, quickly and in peace.

Divine Intelligence, if You have a divine plan for my personal life, show me what it is. Draw to me the people who belong in my life now, and unite me with them.

Every plan which God has not planned for me is now dissolved in my life. The next step in the divine plan quickly manifests. The divine idea, the divine plan for me, now come to pass. New doors of good now open to me! With a confident spirit, I now go forth into a life of happiness, security, and abundant living.

Divine Intelligence, let the master plan of my life now reveal itself to me. Let the master plan of my life now begin working for me. I give thanks for my master plan of success. I give thanks for the perfect results of that master plan. With God's help I now plan my way to success; with God's help I now begin to experience the results of my master plan.

**The Dynamic Laws of Prosperity Lectures - Lesson 6** Catherine Ponder,2006-11-01 The advanced laws of prosperity Giving makes you rich when you give systematically We have to give constantly in order to receive constantly Ten is the magical number of increase

The Dynamic Laws of Prosperity Catherine Ponder,2016-05-26 There s Gold Dust in the Air for You This book is the result of several recent recessions and many years of lean living Nobody likes recessions and nobody likes lean living and indeed nobody should like them For fifteen years I tried to find such a book as this one During those years of searching the book shelves I found that there are many books which give various success ideas but in none of them did I find a set of compact simple laws for assuring success I began searching for a book such as this after having been widowed and left with a small son to rear and educate Since I had no training for work and no means of income I would have given anything to have known then about the power of prosperous thinking For a while I experienced depression ill health loneliness financial lack and a sense of complete failure It seemed that the whole world was against me and that everything I did went wrong But with my son to provide for I could not settle for failure I had to succeed for his sake as well as for my own Finally when I was at my lowest ebb emotionally physically and financially I learned about the power of thought as an instrument for success or failure I came to realize that failure is basically the result of failure thinking I learned that the right use of my mind could become the key to healthy happy prosperous successful living As soon as I grasped this wonderful success secret the tide began to change

**The Birth of Prosperous Thinking** You ve heard much in recent years about positive thinking Out of the recessions and lean years another term has been born prosperous thinking The word prosper means to flourish succeed thrive to experience favorable results You are prosperous to the degree that you are experiencing peace health and plenty in your world While prosperous thinking means many things to people basically it gives you the power to make your dreams come true whether those dreams are concerned with better health increased financial success a happier personal life more education and travel or a deeper spiritual life This book plainly shows how prosperous thinking has helped people in every walk of life to experience these results Furthermore it shows how prosperous thinking can do these things for you too As you read this book chapter by chapter you will automatically begin to develop the power of prosperous thinking and almost as easily you will begin to reap a harvest of prosperous results

**The Salesman with the Golden Touch** Years ago a salesman used the power of prosperous thinking although he may not consciously been aware of it When people asked him

How's business he always gave this standard answer Business is wonderful because there's gold dust in the air For him it certainly seemed to be so every contact became a sale After a while whenever his name was mentioned people always said Yes everything he touches turns to gold That salesman was right There is gold dust in the air for you for me for everyone Psychologists and metaphysicians know about the gold dust They declare that man forms his world from the rich unlimited substance within him and around him through his thoughts emotions words and actions And so let us proceed in confidence knowing that there is gold dust in the air and that there is gold dust everywhere As you begin reading this book no matter what the conditions of your life may now be do so in this attitude of mind There is gold dust in the air for me Now proceed quickly to the following pages where you will learn the exciting gold dust secrets of countless others from the Introduction
