

# Imperialism and America

## MAIN IDEA

Beginning in 1898 and continuing thereafter, the United States expanded its overseas empire to include territories in the Pacific and the Caribbean.

## WHY IT MATTERS NOW

Overseas territories like Puerto Rico and Guam are still U.S. territory, but they are not states.

## TERMS TO KNOW

**Imperialism** the policy of extending a country's power and influence through diplomacy or military force  
**Overseas territory** a territory that is under the control of a country but is not a state

## Check Your Understanding

What were the main reasons for U.S. imperialism? How did the United States justify its imperialist actions? How did the United States expand its overseas empire? How did the United States justify its imperialist actions? How did the United States expand its overseas empire?

### 1. Economic Motives

By the late 1800s, the United States had become a major industrial power. The country's economy was based on manufacturing, and the United States was producing more goods than it could consume. This led to a search for new markets and raw materials. The United States had a large population, but it was still a young country with a lot of land that was not being used. The United States had a large population, but it was still a young country with a lot of land that was not being used.

### 2. American Expansionism

American expansionism, or the belief that the United States should expand its territory and influence, was a major force behind U.S. imperialism. This belief was based on the idea of Manifest Destiny, the belief that the United States was destined to expand across the continent. American expansionism was also based on the idea of the United States as a world power. The United States had a large population and a strong economy, and it was becoming a major power in the world. American expansionism was also based on the idea of the United States as a world power.

John Hay, Secretary of State, is shown here in a portrait. He was a key figure in U.S. imperialism.
