Chapter 5 Case Study Ethan And College Expenses:

Innovation in Public Transport Finance Shishir Mathur,2016-05-23 With all levels of governments currently and for the foreseeable future under significant fiscal stress any new transit funding mechanism is to be welcomed Value capture VC is one such mechanism which involves the identification and capture of a public infrastructure led increase in property value This book reviews four major VC mechanisms joint development projects special assessment districts impact fees and tax increment financing all of which are used to fund transit in the United States Through the study of prominent examples of these VC mechanisms from across the US this book evaluates their performance focusing on aspects such as equity revenue generating potential stakeholder support and the legal and policy environment It also conducts a comparative assessment of VC mechanisms to help policy makers and practitioners to choose one or a combination of VC mechanisms Although the book focuses on the US the use of the VC mechanisms and the urgent need for additional revenue to fund public transportation are world wide concerns Therefore an overview of the VC mechanisms in use internationally is also provided

Open Access and the Future of Scholarly Communication Kevin L. Smith,Katherine A. Dickson,2016-12-08 This volume the second of two in the series Creating the 21st Century Academic Library that deals with the topic of open access in academic libraries focuses on the implementation of open access in academic libraries Chapters on the legalities and practicalities of open access in academic libraries address the issues associated with copyright licensing and intellectual property and include support for courses that require open access distribution of student work The topic of library services in support of open access is explored including the library s role in providing open educational resources and as an ally and driver of their adoption for example by helping defray author fees that are required for open access articles A detailed look at open access in the context of undergraduate research is provided and considers how librarians can engage undergraduates in conversations about open access Chapters consider ways to engage undergraduate students in the use understanding evaluation and creation of open access resources Issues that are of concern to graduate students are also given some attention and central to these are the development of Electronic Thesis and Dissertation ETD programs A chapter examines the library s role in balancing greater access to graduate student work with the consequences of openness such as concerns about book contracts and sales plagiarism and changes in scholarly research and production The book concludes with issues surrounding open data and library services in critical data librarianship including advocacy preservation and instruction It is hoped that this volume and the series in general will be a valuable and exciting addition to the discussions and planning surrounding the future directions services and careers in the 21st century academic library

Pharmacy in Public Health Jean Carter,Marion Slack,2010 Pharmacy in Public Health Basics and Beyond outlines what public health is and why it is so important for today s pharmacists to know This practical textbook covers key areas like the foundations of public health concepts and tools of policy and models of public health programs run by pharmacists It includes real life cases that highlight

pharmacists who are starting or getting involved in public health efforts The textbook equips students with a comprehensive focus on the role of public health in pharmacy It serves as a complementary tool to help pharmacy schools educate and train their students for 21st century challenges disease prevention public health crises government health programs and health care reform With public health becoming a growing concern worldwide now is the time for pharmacy to take an even greater role in public health This textbook illustrates for the pharmacy student that doing so is not only prudent it may save lives
