My 8th grade summer school, who are mostly boys, loved coloring the notes. I'm pleasantly surprised. Doodling helps my daughter's stress level during math lessons. Keeps them extremely focused. My students absolutely love the doodle notes, and they feel like they retain more information. The color coding helps them to make connections. My students and I are loving the doodle notes. They can't believe that I am telling them that they have to doodle. And they love watching me doodle too. Not only that, but I have already seen a major increase in their math scores.
