Christine Neff,Martha Spray,1996

This introductory guide to maternity and paediatrics gives students a strong foundation for contemporary nursing care. A consistent nursing process framework helps students understand and apply information. Recurring displays including teaching guidelines, family considerations, nursing care plans, nursing alerts, nursing insights, and What would you do case studies and questions enhance learning of clinical and theoretical information. Maternity coverage includes care of the pregnant woman from conception through delivery, care of the newborn, and family issues and trends, reproduction, and family planning. Paediatric coverage includes growth and development, health problems organized by body system, medications, and pain management, chronic and life-threatening illness, and mental health problems. Each chapter has the following helpful tools to enhance learning and promote retention: student objectives, key terms, chapter outline, introduction, key concepts, NCLEX style review questions, and a bibliography.

Pediatric Nursing Eleanor Dumont Thompson, Jean Weiler Ashwill, 1992. An introduction to the nursing care of children covering normal development and the needs of the child from birth through adolescence and organizing health problems and nursing care according to age groups. Taking Sides Elizabeth L. Paul, 2002. This debate style reader is designed to introduce students to controversies in gender studies. The readings which represent the arguments of leading sociologists and social commentators reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework. Taking Sides actively develops critical thinking skills by requiring students to analyze opposing viewpoints and reach considered judgements.

Maternity & Women's Health Care Deitra Leonard Lowdermilk, Shannon E. Perry, 2007. Accompanying CD ROM contains case studies, clinical thinking questions, videos, animations, a care plan constructor, illustrated skills, English Spanish translations, and an audio glossary. Page 4 of cover.
