Chair's Message

Hi everyone!

The 2013 Annual Conference on Quality and Improvement in Healthcare (HQI) has come and gone, and as always it was jam-packed with useful

and exciting sessions, and hands-on something for everyone to realize the governmental and industrial uses of lean. We had a tremendous amount of traffic on our booth and we thank everyone for stopping by. There were old faces and new faces and we welcomed several new members to the Audit Division.

As always, our Audit Division Management Committee kept its commitment to our needs, meeting, printing, and providing each member who passed by. If you did not get the opportunity to meet with me or talk to me, you can contact me any time. Our information is available on the Audit Division website www.asq.org.

The focus of our efforts this month, Health, I hope you had a chance to attend the meeting held during that time (plus you will be contacted). I personally see hospitals around my study businesses and actually found a lot of new things. It's not only a driving force making success for health care but also success for IT in every year!

We were pleased that several new members joined our team on July 29 from ASQ's new - now - Health Insights Group with "An Auditor's Review of Risk Management, 5-yr Improvement and Data Analysis," presenting Laura M. Coleman. Follow this link to register for

the meeting: <http://www.asq.org/annual-conference-2013/20130729-20130802>.

If you have missed any of our meetings, you can download them from the Audit Division home page at www.asq.org and searching through "Member's Choice." To date we have "Member's Choice: Implementing Excellence," "A Risk Based Thinking Model for ISO 9001:2015," and "ISO 9001:2015 Update - Internal Audit Challenge."

If there are any topics you would like to see presented, please let us know so we can better represent and satisfy members that are interested in our meetings.

We are currently filling Audit Division leadership positions for the 2013-2017 term. In addition to our existing committees we have a new audit responsibility chair position opening up this year. To be considered for a position, you must be a member of the Audit Division. If you would like to volunteer for a position or get some information on the responsibilities of a position, contact our incoming Audit Division Chair, Cindy Strathairn, at csrathairn@asq.org.

Please join us in welcoming Steve Marquardt to our leadership team as digital media chair. Marquardt will be helping us enhance our website to provide content and easily accessible content for our members. We will start the working for us on our 2013 Annual ASQ Audit Conference in Boston, MA, October 27 - 29, using social media tools and new techniques to enhance the attendee experience.

If you receive business Certified Quality Auditor (CQA), the next grade offering of the ASQ Certification Preparation course will be held October 28 - 29, just before
