When I think about the dreams of the founders I think about the amendments. These amendments represented their core beliefs. When I think about that I look at society and think how well have the amendments been followed. In a sense most of the amendments have been followed well, but in the last 20 or 30 years that has been declining rapidly. The 1st amendment, probably the easiest to follow is being silently fought. Now it may not be illegal to say something but by the time you say it you might have wished it was.

People are beat to a bloody pulp because their opinion of the president, or even worse their favorite sports team. What has this nation come to when we beat a living person to a bloody pulp for the sports team that they like! I think we need to take a step back and look at ourselves for a second. The 2nd amendment is our first freedom. For the last 100 years people have slowly been trying to tax and regulate our right and freedom to bear arms. The 2nd amendment states that there should be a militia ready for times of war. It does not say an army, a militia,

if I remember correctly the definition of militia is a military force raised by civilians to take place of an army in an emergency. Now how are we supposed to act like a military force, if the law abiding citizens of this country cannot buy a basic infantryman's rifle. Yes you can buy a modified version, but we should be able to buy any type of firearm we would like, because it is our right and our freedom. This amendment isn't about no duck hunting, it's about the people's right, freedom, and ability to protect themselves and their country. The 3rd amendment is our freedom of religion.

In this day and age christianity is frowned upon, at the time of our founders christianity represented the core belief system of almost every man, woman, and child. Nowadays you have atheists making it illegal to display any signs of religion, you want to put a nativity scene in front of your house, so sorry you probably need a permit for that, or its against your city ordinance. You want to have a christmas party at the local town/city green, no problem, only you need to call it a winter party, winter holiday party, or non denominational festive celebration, pretty insane.

To make matters worse we have a president, a president the leader of a country whose motto is "IN GOD WE TRUST" is supporting the beliefs of Islam, a country who believes that America is satan. You know its bad when we have a muslim president. The constitution has been changed and twisted so much that I bet the founders are doing backflips in their graves. In a society were the sacred organization of marriage is being laughed at and challenged day to day, this isn't just a political challenge its a virtue, and morality challenge as well.

This country was founded on good, christian values and after the influence of God and the Holy Ghost. Christopher Columbus talks about a calm and spiritual feel

**Militia Stand Down: The First Objective Reading of the 2nd Amendment** Geoffrey Smith, 2017-04-14 On June 12 1823 Thomas Jefferson quilled the following History may distort truth and will distort it for a time by the superior efforts at justification of those who are conscious of needing it most Nor will the opening scenes of our present government be seen in their true aspect until the letters of the day now held in private hoards shall be broken up and laid open to public view What a treasure will be found in General Washington s cabinet when it shall pass into the hands of as candid a friend to truth as he was himself This volume of work is the public view he speaks of because ALL interpretations of the 2nd Amendment have exploited history to re author its meaning This full story is told with the hoarded letters spanning 84 years and their treasure ultimately revealed by the Candid a friend of Truth The 2nd amendment was crafted ahead of its time and its time has finally arrived It is literally the Holy Grail of Gun Control and the final legacy of the United States Constitution *The 2A Papers* Allen Matter, 2020-09-04 The 2A Papers is the book that gun control politicians and the anti gun activists do not want the American people to read The date is September 3 2020 Only 60 days remain until the 2020 Presidential election The natural right of law abiding American citizens to keep and bear our has never been more threatened than it is today Powerful anti 2nd Amendment politicians and anti gun organizations are working zealously to take away first our gun rights and then our guns There are only two ways to protect the right to keep and bear arms through dialogue or through war The 2A Papers provides the reader with concise and factual knowledge that can be used to have a successful argument against any opponent of the right to keep and bear arms Time is of the essence to get informed with the proper knowledge that every gun owner needs to protect their Second Amendment rights The 2A Papers is an urgent call to action for gun owners everywhere to use the factual knowledge contained in this book to fight back against those who would lobby and vote to strip you of your rights before we are forced to address the alternative *September 2019 Monthly Current Affairs with MCQs for Competitive Exams* Disha Experts, 2019-09-01 *November 2019 Monthly Current Affairs with MCQs for Competitive Exams* Disha Experts, 2019-10-21 *October 2019 Monthly Current Affairs with MCQs for Competitive Exams* Disha Experts, 2019-09-25 **August 2019 Monthly Current Affairs with MCQs for Competitive Exams** Disha Experts, 2019-08-04 **Essays on Liberty and Federalism** John M. Murrin, 1988 These essays offer new interpretations of the origins of American federalism and the meaning of liberty in American political culture Peter S Onuf s introduction examines the historiography of the Constitution the ways in which distinct schools of historians have interpreted the formation of the federal system He explains how the essays contribute to this scholarly debate and notes that the present day concern with original intent is a misleading approach to the Constitution Rather than trying to achieve miraculous solutions to deep seated social and political problems the founding fathers instead agreed to compromises that sanctioned future conflict within the bounds of law Writing on the origins of American federalism John M Murrin argues that the founding

fathers greatest achievement was balancing federal authority with states rights a conceptual breakthrough that allowed the founders to resolve issues that had previously led to the American revolt against Great Britain and the collapse of the Articles of Confederation David E Narrett analyzes Anti Federalist opposition to the Constitution in New York State telling why Anti Federalist efforts to restrict the government s taxing power and to alter the system of representation in Congress failed Thomas Jefferson was in Paris when the Constitution was being drafted Ronald L Hatzenbuehler writes in his revisionist essay that Jefferson s attitude toward the Constitution was not dictated by his response to events in prerevolutionary France but rather by American political developments such as Shay s Rebellion Michael Kammen concludes the book by probing the character and history of liberty as a constitutional concept American society today faces complex issues unimagined two centuries ago An understanding of the origins and development of the Constitution is necessary if we wish to preserve liberty for future generations This volume is a contribution toward that goal
