and other necessities at a fraction of the usual cost and at profit margins attractive to investors Robin and Lucienne Day
Lesley Jackson,2001-03 Hailed as the British counterparts to Charles and Ray Eames Robin and Lucienne Day electrified the
British design scene in the 1950s with their startling furniture and textile designs Indeed their influence over the next five
decades has been so profound that their early products were recently reintroduced by Conran s Habitat Lucienne Day
pioneered the introduction of modern abstract pattern design in the textile industry Her fabrics which oscillate between bold
geometric figures and more subtle abstract patterns were produced by companies as diverse as Heal s and Liberty of London
Robin Day s influential furniture designs pioneered the use of materials such as plywood steel and plastic His stacking
polypropylene chair right is one of the best selling chairs in the world Robin and Lucienne Day the first ever full length
monograph on their designs features never before seen archival material along with over 250 color images of the full range
of their work including furniture ceramics textiles wallpaper interiors appliances exhibit designs and graphics Spanning a
half century s creative output no designer will fail to be awed by the genius seen in this book *Affordable Housing*
Adrienne Schmitz,2005 Written in conjunction with the National Building Museum this guide dispels the typically
disparaging view of affordable housing Durable environmentally sensitive comfortable attractive and easily maintained
designs are brought together in this collection by some of the nation s most gifted architects Site plans full color photography
and ideas for the sources of funding that could make these designs a reality are included As public officials nonprofits
developers and architects advocate for public housing this book will help them make their case *The Frugal Innovator C.*
Leadbeater,2014-04-29 This insightful book looks at the phenomenon of low cost innovation and explores what we can learn
from the innovators in developing nations who are making amazing technical and social advances with scarce capital and
resources Charles Leadbeater shows how these methods can be applied and used wherever you are and whatever your
