- a. The developers
- b. The testers
- c. The product owner
- d. The entire team - Answer- D is correct. The entire team is responsible for quality.

FA-1.1.2

#4 What is the purpose of a daily stand-up meeting?

- a. It provides team building by encouraging everyone to stand up together for a quick exercise session
- b. It provides a way for each member to communicate progress and problems
- c. It forces the team to be co-located
- d. It helps determine where overtime will be required to keep the project on schedule - Answer- B is correct. It's important to note that stand up meetings can be conducted via web conferencing for teams that are not co-located, so C is not correct. D is not correct because overtime is not generally used in Agile projects. A is not correct unless you have a really energetic scrum master, but even then it would be just a side benefit!
