*Courting Kids* Carla J. Barrett,2013 Despite being labeled as adults the approximately 200 000 youth under the age of 18 who are now prosecuted as adults each year in criminal court are still adolescents and the contradiction of their legal labeling creates numerous problems and challenges In *Courting Kids* Carla J Barrett takes us behind the scenes of a unique judicial experiment called the Manhattan Youth Part a specialized criminal court set aside for youth prosecuted as adults in New York City Focusing on the lives of those coming through and working in the courtroom Barrett's study reflects the costs challenges and consequences the tough on crime age has had especially for young men of color Through observation interviews and the construction of court narratives that trace several kids through the progression of their cases Barrett shows how members of the court worked to develop a humanizing model of justice cognizant of the often difficult realities of adolescent lives Skillfully engaging with some of the most critical issues facing our justice system today from routine judicial practices to the appropriate legal responses to serious adolescent transgression *Courting Kids* is a compelling study of the law in action Unedited summary for book cover

**Trout** Jeff Kunerth,2012-04-15 On a cool Pensacola night in January 1991 just a few minutes before midnight three teenagers pulled up to the Trout Auto Parts store Patrick Bonifay his body coursing with adrenaline entered the store clad in a ski mask carrying a loaded gun intent on carrying out a poorly laid plan Little did he know that it was his life as well as the lives of his companions that was about to be forever changed Bonifay Clifford Barth and Eddie Fordham were hired to kill Daniel Wells by Robin Archer who blamed Wells for losing his job nine months prior The plan was orchestrated by the then twenty seven year old Archer who allegedly

promised his seventeen year old nephew Patrick a suitcase full of money after the job was done But Wells had called in sick that night and an innocent man was covering his shift In this shocking and thought provoking volume Jeff Kumerth recounts the events of that fateful night the swift investigation of the murder the trials and sentencing of the teens and their subsequent lives within the Florida court and penal systems Kumerth uses the story of the Trout Auto Parts murder and the lives of these boys to explore varying aspects of troubled adolescence impulsive actions lasting but moments and the national trend of trying juveniles as adults in court They were boys every teenager can identify with and circumstances every parent fears Their story provides a disturbing sad and compelling inside look at the dynamics of individuals not yet adults but no longer children who commit senseless impulsive crimes Trout is that rare book that continues to haunt you long after you ve finished reading it
