

A new modernity is emerging, reconfigured to an age of globalisation – understood in and cultural aspects: an altermodern culture

Increased communication, travel and migration are affecting the way we live

Our daily lives consist of journeys in a chaotic and teeming universe

Multiculturalism and identity is being overtaken by creolisation: Artists are now starting of culture

This new universalism is based on translations, subtitling and generalised dubbing

Today's art explores the bonds that text and image, time and space, weave between t

Artists are responding to a new globalised perception. They traverse a cultural landsc and create new pathways between multiple formats of expression and communication

The Tate Triennial 2009 at Tate Britain presents a collective discussion around this pr postmodernism is coming to an end, and we are experiencing the emergence of a glc

Travel, cultural exchanges and examination of history are not merely fashionable ther profound evolution in our vision of the world and our way of inhabiting it.

More generally, our globalised perception calls for new types of representation: our di against a more enormous backdrop than ever before, and depend now on trans-natio long-distance journeys in a chaotic and teeming universe.

Many signs suggest that the historical period defined by postmodernism is coming to and the discourse of identity is being overtaken by a planetary movement of creolisati and deconstruction, substituted for modernist universalism, give us no weapons again

Altermodern Explained Manifesto Tate:

The Oxford Handbook of Dance and Reenactment Mark Franko, 2017 The Oxford Handbook of Dance and Reenactment investigates new forms of choreographic dramaturgy and interpretation inherent Joining junior and senior scholars as well as practitioners in the field the handbook shows how the recovery of past dances has come to constitute a new branch of contemporary choreographic activity

Coherence in New Music: Experience, Aesthetics, Analysis Mark Hutchinson, 2016-06-10 What does it mean to talk about musical coherence at the end of a century characterised by fragmentation and discontinuity How can the diverse influences which stand behind the works of many late twentieth century composers be reconciled with the singular immediacy of the experiences that they can create How might an awareness of the distinctive ways in which these experiences are generated and controlled affect the way we listen to reflect upon and write about this music Mark Hutchinson outlines a novel concept of coherence within Western art music from the 1980s to the turn of the millennium as a means of understanding the work of a number of contemporary composers including Thomas Ad s Kaija Saariaho T ru Takemitsu and Gy rgy Kurt g whose music cannot be fitted easily into a particular compositional school or analytical framework Coherence is understood as a multi layered phenomenon experienced above all in the act of listening but reliant upon a variety of other aspects of musical experience including compositional statements analysis and connections of aesthetic as well as listeners own imaginative conceptualisations Accordingly the approach taken here is similarly multi faceted close analytical readings of a number of specific works are combined with insights drawn from philosophy and aesthetics music perception and critical theory with a particular openness to novel metaphorical presentations of basic musical ideas about form language and time

Performance Cultures as Epistemic Cultures, Volume II Torsten Jost, Erika Fischer-Lichte, Milos Kovic, Astrid Schenka, 2023-04-07 This volume investigates performance cultures as rich and dynamic environments of knowledge practice through which distinctive epistemologies are continuously re generated cultivated and celebrated Epistemologies are dynamic formations of rules tools and procedures not only for understanding but also for doing knowledges This volume deals in particular with epistemological challenges posed by practices and processes of interweaving performance cultures These challenges arise in artistic and academic contexts because of hierarchies between epistemologies European colonialism worked determinedly violently and often with devastating effects on instituting and sustaining a hegemony of modern Euro American rules of knowing in many parts of the world Therefore Interweaving Epistemologies critically interrogates the im possibilities of interweaving epistemologies in artistic and academic contexts today Writing from diverse geographical locations and knowledge cultures the book s contributors philosophers and political scientists as well as practitioners and scholars of theater performance and dance investigate prevailing forms of epistemic ignorance and violence They introduce key concepts and theories that enable critique of unequal power relations between epistemologies Moreover contributions explore historical cases of interweaving

epistemologies and examine innovative present day methods of working across and through epistemological divides in nonhegemonic sustainable creative and critical ways Ideal for practitioners students and researchers of theater performance and dance Interweaving Epistemologies emphasizes the urgent need to acknowledge study and promote epistemological plurality and diversity in practices of performance making as well as in scholarship on theater and performance around the globe today
