Postwar America, 1945–1960

Lesson 2 *The Affluent Society*

Review Questions: Identifying Supporting Details

DIRECTIONS: Read each main idea. Use your textbook to supply the details that support or explain each main idea.

A. Main Idea: The 1950s was a decade of prosperity, with people moving to the suburbs, buying new products, and working in offices.

- Detail:** Americans produced an abundance of goods and services because of New techniques and technology.
- Detail:** Many Americans moved to the suburbs to avoid the crime and congestion of city neighborhoods.
- Detail:** From 1945 to 1961, the the birthrate exploded. Some contributing factors of the baby boom were: GI benefits encouraged the growth and popular celebrated large families.

B. Main Idea: American scientists broke new ground in the areas of electronics, manufacturing, and medicine.

- Detail:** In electronics, the development of the transistor made radios smaller and portable; the development of the computer launched a revolution, and the development of the jet made airline travel available to many.
- Detail:** The development of powerful antibiotics and vaccines made infections much more treatable.
- Detail:** Scientist Salk developed an injectable vaccine to prevent polio. Later, the the Sabin vaccine became the common method of prevention.

C. Main Idea: As television became popular, other forms of entertainment had to adapt in order to survive.

- Detail:** By 1957, nearly 80% percent percent of families had at least one television. Popular formats included comedy, variety shows, and action programs.
- Detail:** The Automobiles saved the radio industry as commuters listened in transit.

American History Guided Reading Answers

Mary Gertrude Kelty

American History Guided Reading Answers:

Guide to the Study and Reading of American History Edward Channing, Albert Bushnell Hart, Frederick Jackson Turner, 1896 **The American History Highway: A Guide to Internet Resources on U.S., Canadian, and Latin American History** Dennis A. Trinkle, 2020-10-28 This brand new addition to the acclaimed History Highway series is essential for anyone conducting historical research on North Central or South America Complete with a CD with live links to sites it directs users to the best and broadest most current information on U S Canadian and Latin American history available on the Internet The American History Highway provides detailed easy to use information on more than 1 700 websites covers all periods of U S Canadian and Latin American History features new coverage of Hispanic American and Asian American History includes chapters on environmental history immigration history and document collections all site information is current and up to date includes a CD of the entire contents with live links to sites just install the disc go online and link directly to the sites and also provides a practical introduction to web based research for students and history buffs of all ages

Teaching American History in the Middle Grades of the Elementary School Mary Gertrude Kelty, 1928 Study Guide for Problems in American History Lena A. Ely, Edith King, Martin James Stormzand, 1926 **Webster's Guide to American History** Charles Van Doren, Charles Lincoln Van Doren, Robert McHenry, 1971 **Remembering America** Lawrence R. Samuel, 2015-11 American history is ubiquitous underscoring everything from food to travel to architecture and design It is also emotionally charged frequently crossing paths with political and legal issues In Remembering America Lawrence R Samuel examines the place that American history has occupied within education and popular culture and how it has continually shaped and reflected our cultural values and national identity The story of American history Samuel explains is not a straight line but rather one filled with twists and turns and ups and downs its narrative path as winding as that of the United States as a whole Organized around six distinct eras of American history ranging from the 1920s to the present Samuel shows that our understanding of American history has often generated struggle and contention as ideologically opposed groups battled over ownership of the past As women and minorities gained greater power and a louder voice in the national conversation our perspectives on American history became significantly more multicultural bringing race gender and class issues to the forefront These new interpretations of our history helped to reshape our identity on both a national and an individual level Samuel argues that the fight for ownership of our past combined with how those owners have imparted history to our youth crucially affects who we are Our interpretation and expression of our country's past reflects how that self identity has changed over the last one hundred years and created a strong sense of our collective history one of the few things Americans all have in common **A Kid's Guide to African American History** Nancy I. Sanders, 2007 Describes the history and contributions of African Americans as well as creating hands on activities songs and games
