(Moments)(Chapter - 1) (The Lost Child)  
(Class - 9)

## Question 1:

What are the things the child sees on his way to the fair? Why does he lag behind?

### Answer 1:

The child sees a number of interesting things on his way to the fair

- Firstly, he saw toys lined up at a shop.
- Then he saw a flowering mustard field which seemed like gold.
- In the fields, the child also saw colourful dragon flies, butterflies fluttering their wings and bees sucking nectar.
- Then while walking on the footpath he saw the insects and worms crawling.
- When he entered the grove he could hear and see doves cooing.
- As he neared the village he saw huge crowd going to the fair
- The child also came across sweetmeat seller selling sweets like burfi and Gulab Jamun and a flower seller who was selling a garland of Gulmohar
- Further ahead, he saw a man selling rainbow colour balloons.
- He also saw a snake charmer who stood playing a flute to a snake.
- Finally, before losing track of his parents he saw a roundabout swing.

The child often keeps lagging behind his parents on the way and his mother and father have to constantly call him so that he doesn't lag behind. This is because the child is lured by all the things he sees on his way. Sometimes, he stops to buy toys and at other times he stops to admire the beauty of the nature – collecting flowers, catching butterflies.

## Question 2:

In the fair he wants many things. What are they? Why does he move on without waiting for an answer?

### Answer 2:

The child many things in fair. They are

- Toys and Balloons.
- Sweets like burfi from the sweetmeat seller.
- Garland of Gulmohar flower.
- Attracted by the snake charmer play flute to a snake.
- A ride in the roundabout swing.

The boy moved on without waiting for an answer because he knew that his parents would not fulfil his request and would be denied at each stop.

## Question 3:

When does he realise that he has lost his way? How have his anxiety and insecurity been described?

### Answer 3:

He stops at the roundabout and wants to swing on a ride. He observes it swinging with men, women and children enjoying themselves on it and suddenly realises that he has lost his way. Watching keenly he turned to his parents to ask for permission to go on the rounds but there was no reply from them and that is when he realises that they were not there. He looked all around but there was no sign of them. Tears rolled down from his eyes and started running in all directions looking for his parents. His yellow turban was untied and his clothes became untidy. He was screaming and was scared by the looks of the hefty men around.

## Question 4:

Why does the lost child lose interest in the things that he had wanted earlier?

### Answer 4:

The lost child loses interest in all the things that he had wanted earlier because he was frightened on being separated from his parents in the crowd. His aim was to find and be with them. All the things that fascinated him in the fair no longer attract to him and now the only thing that matters is finding his parents.
