Ira Trivedi, 2006 Riya has always had a secret ambition winning the coveted Miss Indian Beauty crown It's Riya's chance to turn fantasy into reality The Miss Indian Beauty contest could well be her ticket to instant fame and success After all she's good looking intelligent confident and most importantly tall how difficult could it be But Riya is in for a dose of reality as she soon finds herself in the company of twenty two gorgeous girls under house arrest in a five star hotel in Mumbai for a rigorous training session that will test them all to their limits With each girl's eyes set on the crown the mood is emotionally charged and the atmosphere intense exhilarating vicious and explosive all at once What Would You Do to Save the World is a delightfully entertaining first novel which reveals the dust behind the diamonds the tears behind the plastic smiles and dishes the dirt on what really goes on behind the scenes of a beauty pageant *The Most Beautiful Girl in the World* Sarah Banet-Weiser, 2023-04-28 Sarah Banet Weiser complicates the standard feminist take on beauty pageants in this intriguing look at a hotly contested but enduringly popular American ritual She focuses on the Miss America pageant in particular considering its claim to be an accurate representation of the diversity of contemporary American women Exploring the cultural constructions and legitimations that go on during the long process of the pageant Banet Weiser depicts the beauty pageant stage as a place where concerns about national identity cultural hopes and desires and anxieties about race and gender are crystallized and condensed The beauty pageant she convincingly demonstrates is a profoundly political arena deserving of serious study Drawing on cultural criticism ethnographic research and interviews with pageant participants and officials *The Most Beautiful Girl in the World* illustrates how contestants invent and reinvent themselves while articulating the female body as a national body Banet Weiser finds that most pageants are characterized by the ambivalence of contemporary liberal feminism which encourages individual achievement self determination and civic responsibility while

simultaneously promoting very conventional notions of beauty The book explores the many different aspects of the Miss America pageant including the swimsuit the interview and the talent competitions It also takes a closer look at some extraordinary Miss Americas such as Bess Myerson the first Jewish Miss America Vanessa Williams the first African American Miss America and Heather Whitestone the first Miss America with a disability Sarah Banet Weiser complicates the standard feminist take on beauty pageants in this intriguing look at a hotly contested but enduringly popular American ritual She focuses on the Miss America pageant in particular considering its claim to be an accurate **Blood Bath & Beyond** Michelle Rowen,2012-08-07 Sarah Dearly is adjusting to life as a fledgling vampire satisfying her cravings at vampire friendly blood banks But when her fianc Thierry takes a job with the Ring the secret council in charge of keeping vampires in line Sarah s about to get more than a taste of danger Being engaged to a centuries old master vampire can be challenging especially when he takes a job with the Ring Thierry s in for fifty years of nonstop travel and deadly risk It s enough to make any woman reconsider the wedding any woman except Sarah that is Traveling to Las Vegas for his first assignment they encounter a child beauty pageant contestant from hell as well as a vampire serial killer leaving victims drained of blood potentially exposing the existence of vampires to the whole world But when Thierry s truly ancient history comes back to haunt him and he s accused of a crime he didn t commit it s up to Sarah to clear his name before their immortal lives come to an end
