Fashion and Style F Everett,Felicity Everett,1989-03 **I Want to be a Fashion Designer** Stephanie Maze,Catherine O'Neill Grace,2000-02 A photo essay introducing career possibilities within the fashion design industry and describing how to get an early start pursuing a career in this field **The Princeton Review Guide to the Right Career, 1996** Princeton Review (Firm),Alan Bernstein,Nicholas Reid Schaffzin,1996-04 After the strains of Pomp and Circumstance die out and student loans come due it s time for new grads to assess their talents select a career path and plot their strategy for cracking the job market This guide is designed to help recent college graduates get on the right track offering a self assessment test to help define individual potential *Your Career As a Fashion Designer* Institute For Institute For Career Research,2015-08-06 A CAREER AS A FASHION DESIGNER begins in your imagination Are you a person who looks at clothing shoes and hats as they pass by and imagine another way that they might have been made to look a different color perhaps or another fabric choice or a change in emphasis of some feature Do you look at the world around you and see the pattern of shadows a fence casts on a wall and picture a coat with that same pattern Do you notice the color of the sky on a late afternoon in summer just as storm clouds move to cover the sun and think what an elegant shade that would be for a shirt Do you feel how comfortable to the touch is the wood used in the benches at a railway station Imagine how excellent it would be to have buttons made with the same kind of wood If these are typical of the types of thoughts that go through your mind then you are on the right track when it comes to considering a career as a fashion designer This is not an easy career by any means It is a highly competitive category with many ego driven participants some with dreams of glory that may make them less than pleasant to be around much less work with Nevertheless there are many kind creative and cooperative people in the industry which is a good thing since so much of what goes into the development and marketing of new fashion designs is a team effort If you know you were born to be a fashion designer then you should consider getting the best training you can find so that the gifts you have can be developed to their fullest Of course it is possible to have a career as a fashion designer without a formal education but there is much to be learned in a college or technical school program including how to prepare a portfolio the necessary steps to landing a job or if you are determined to be your own boss to win the confidence of potential clients In fact one of the earliest decisions you will likely make as a would be fashion designer is whether you are

going to seek employment with a manufacturer or whether you plan to go out on your own About a third of all fashion designers are self employed meaning they have their own shops or companies where they sell their own designs and perhaps some creations of friends and colleagues These independent fashion designers can also work on a contract basis for apparel manufacturers It is possible that until your career takes off you will have to do other work to support yourself while moving toward your goals Within the fashion industry there are opportunities to work with established designers as an intern or an assistant If you have the skills you can work as a fashion illustrator or in construction sewing garments or in the business end of fashion design helping to set up displays and shows Whatever you can do to get your foot in the door is worthwhile in this competitive field This new Careers Ebook contains a wealth of unbiased information about an occupational field based on the latest national surveys Careers Ebooks cover attractive and unattractive sides opportunities education necessary personal qualifications required earnings descriptions of different job specialties first person accounts by those in the field and how to get started including practical advice on what to do now There are live links to schools and colleges associations periodicals and other sources of reliable information
