Beyond Opinion Living The Faith We Defend:

Beyond Opinion Ravi Zacharias, 2010-01-10 A definitive master work from the world's leading Christian apologist. Respected apologist Ravi Zacharias was once sharing his faith with a Hindu when the man asked, "If the Christian faith is truly supernatural, why is it not more evident in the lives of so many Christians I know?" The question hit hard, and this book is an answer. Its purpose is to equip Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion. In addition to writing several chapters himself, Ravi Zacharias brings together many of today's leading apologists and Christian teachers, including Alister McGrath and John Lennox, to address topics present in the very future of worldwide Christianity: from the process of spiritual transformation to the challenges posed by militant atheism and a resurgent Islam. Destined to become a classic, *Beyond Opinion* is a touchstone that will affect Christians around the world.

Beyond Opinion: Living the Faith We Defend Ravi Zacharias, 2010. Addresses issues such as the validity of the Bible, the hypocrisy of its followers, and the need to make a new statement on faith, allowing Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion. **A Letter from Christ** Kerry D.

McRoberts, 2012-02-15. Our nation is politically, ideologically, and socially polarized to the point of breaking. Confusion dominates every layer of our culture. The church in America is a letter from Christ (2 Cor 3:3) written to our politically cynical, socially insecure, and spiritually skeptical culture. Before the Gospel may become clear in our post-everything culture, we must make truth real in our hearts. The purpose of this book is to: 1) redefine dualistic frames in the minds of contemporary Christians that separate the saved from the advent of God's healing reign on Earth; 2) relate Christian compassion to a post-secular America; and 3) propose a redefinition of the Christian controlling narrative. Such a revised narrative will light the way for our restless hearts so that we as a nation may return from exile to restoration and rejoice in the sovereign reign of God in Christ.

Connecting Christ Paul Louis Metzger, 2012-05-07. We live in a multifaith society, an ever-growing, diverse cultural climate where no religion is viewed as having a monopoly on truth. It is important when that Christ followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life's most important conversations. *Connecting Christ* encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions, skills that are crucial in defending against today's negative connotations and ineffective approaches associated with Christian evangelism. With extensive commentary from leaders of various walks of faith and life, from Judaism to Islam and Buddhism to atheism, theologian and author Dr. Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ. Filled with practical guidance and insight into controversial topics such as hell, fascism, and homosexuality, *Connecting Christ* reveals that there is a way of evangelizing that is neither disengaging monologue nor silent lifestyle ministry but is instead an approach for evangelism and dialogue to go hand in hand.
