Bible Faith Study Course Kenneth E. Hagin, 1974 *Bible Healing Study Course* Kenneth E. Hagin, 2002-04-01 These classic Bible Study Courses by Rev Kenneth E Hagin have been reedited to include chapter review questions to further enhance your study of God's Word These teachings on the vital subjects of faith prayer the Holy Spirit and His gifts and healing will show you how to live a life of victory and abundance Have you ever wondered if healing is for you today Some Christians believe that God put sickness on them for a purpose But in order to see God we must look at Jesus Did Jesus ever put sickness on anyone When people came to Him for healing did He turn them away No Not once Jesus went about doing good and healing The Bible Healing Study Course provides scriptural proof that it is God's will to heal you Your healing is an accomplished fact and this invaluable Bible Study Course shows how you can make the promise of healing a reality in your life Chapter titles include Healing God's Will for You Healing Is a Good Gift Roadblocks to Healing The Laying On of Hands Faith and Power Two Ingredients for Receiving Healing The Healing Anointing Prosperity Gospel? Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought **Renewal Theology** J. Rodman Williams, 2011-05-03 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God *The Worldview of the Word of Faith Movement: Eden Redeemed* Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the

world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

A Different Gospel Dan R McConnell,2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson

Bold Faith Ben Pugh,2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity
