**Utopia and Dystopia in the Age of Trump** Barbara Brodman, James E. Doan, 2019-06-04 Utopia and Dystopia in the Age of Trump Images from Literature and Visual Arts treats literature film television series and comic books dealing with utopian and dystopian worlds reflecting on or anticipating our current age From Henry James s dreamlike utopia of *The Great Good Place* to the psychotic world of Brett Easton Ellis s *American Psycho* from science fiction and recent horror films television adaptations of books such as Margaret Atwood s *The Handmaid s Tale* and new series such as *Black Mirror* to the repressive Hitlerian dystopia of Katherine Burdekin s *Swastika Night* the contributors examine the development of scenarios that either prefigure the rise of individuals such as Donald J Trump or suggest alternatives to them Ultimately one might say of the worlds presented here viewed from different social and political perspectives one person s utopia is another s dystopia This is the fifth in a series of books edited by Barbara Brodman and James E Doan and published by Rowman Littlefield with Fairleigh Dickinson University Press *The Universal Vampire Origins and Evolution of a Legend and Images of the Modern Vampire* *The Hip and the Atavistic* both in 2013 focused on the vampire legend in traditional and modern thought *The Supernatural Revamped From Timeworn Legends to Twenty First Century Chic* 2016 examined a range of supernatural beings in literature film and other forms of popular culture *Apocalyptic Chic Visions of the Apocalypse and Post Apocalypse in Literature and Visual Arts* 2017 dealt with legends and images of the apocalypse and post apocalypse in film and graphic arts literature and lore from early to modern times and from peoples and cultures around the world

**Women Make Horror** Alison Peirse, 2020-09-17 Winner of the the 2021 Best Edited Collection Award from BAFTSS Winner of the 2021 British Fantasy Award in Best Non Fiction Finalist for the 2020 Bram Stoker Award for Superior Achievement in Non Fiction Runner Up for Book of the Year in the 19th Annual Rondo Halton Classic Horror Awards But women were never out there making horror films that s why they are not written about you can t include what doesn t exist Women are just not that interested in making horror films This is what you get when you are a woman working in horror whether as a writer academic festival programmer or filmmaker These assumptions are

based on decades of flawed scholarly critical and industrial thinking about the genre Women Make Horror sets right these misconceptions Women have always made horror They have always been an audience for the genre and today as this book reveals women academics critics and filmmakers alike remain committed to a film genre that offers almost unlimited opportunities for exploring and deconstructing social and cultural constructions of gender femininity sexuality and the body Women Make Horror explores narrative and experimental cinema short anthology and feature filmmaking and offers case studies of North American Latin American European East Asian and Australian filmmakers films and festivals With this book we can transform how we think about women filmmakers and genre *Fear and Learning* Aalya Ahmad, Sean Moreland, 2013-03-29 This groundbreaking collection of new essays presents critical reflections on teaching horror film and fiction in many different ways and in a variety of academic settings from cultural theory to film studies from women s and gender studies to postcolonialism from critical thinking seminars on the paranormal to the timeless classics of English horror literature Together the essays show readers how the pedagogy of horror can galvanize unsettle and transform classrooms giving us powerful tools with which to consider interwoven issues of identity culture monstrosity the relationship between the real and the fictional normativity and adaptation Includes a foreword by celebrated horror writer Glen Hirshberg **The Shaken and the Stirred** Stephen Schneider, Craig N. Owens, 2020-09-01 Over the past decade the popularity of cocktails has returned with gusto Amateur and professional mixologists alike have set about recovering not just the craft of the cocktail but also its history philosophy and culture The Shaken and the Stirred features essays written by distillers bartenders and amateur mixologists as well as scholars all examining the so called Cocktail Revival and cocktail culture Why has the cocktail returned with such force Why has the cocktail always acted as a cultural indicator of class race sexuality and politics in both the real and the fictional world Why has the cocktail revival produced a host of professional organizations blogs and conferences devoted to examining and reviving both the drinks and habits of these earlier cultures New York Magazine , 1990-12-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Citizen Critics** Rosa A. Eberly, 2000 The condition of our public discussions about literary and cultural works has much to say about the state of our democracy Classrooms newspapers magazines Internet forums and many other places grant citizens a place to hold public discourses and claim a voice on national artistic matters Rosa A Eberly looks at four censorship controversies where professionals asserted their authority to deny citizen critics a voice and effectively removed discussion of literature from the public sphere Eberly compares the outrage sparked by the publication of James Joyce s Ulysses and Henry Miller s Tropic of Cancer with the relative quiescence that greeted the much more violent and sexually

explicit content of Bret Easton Ellis's *American Psycho* and Andrea Dworkin's *Mercy Through a Close Reading of Letters to the Editor* reviews media coverage and court cases Eberly shows how literary critics and legal experts defused censorship debates and undercut the authority of citizen critics by shifting the focus from content to aesthetics and from social values to publicity **New York Magazine**, 1990-12-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Consuming and Consumed People. Violence in American Psycho* Florian Burkhardt, 2005-11-04 Seminar paper from the year 2005 in the subject American Studies Culture and Applied Geography grade 2.0 University of Stuttgart language English abstract Bret Easton Ellis's *American Psycho* has been a highly controversial book Many critics condemned this novel before it had been published so Ellis even had to search for a new publishing company The indignation at *American Psycho* had been so fierce it verged on hysteria and some interest groups feminist and religious groups for instance agitated against the author and his work<sup>1</sup> The main reason why critics reacted that outraged was the explicit and detailed description of violence in this book<sup>2</sup> In this paper I will discuss the appearance of violence in *American Psycho* But first I want to create a picture of social phenomena in the USA of the 80s as they are described in the novel in order to provide the setting the atmosphere in which the violence takes place This will help to give an opinion of this violence and to interpret it Then I will discuss how violence is presented in the text In the fourth [Violence In American Psycho. Forms And Function](#) Till Neuhaus, 2020-07-24 Seminar paper from the year 2015 in the subject American Studies Literature grade 1.7 Bielefeld University Linguistik und Literaturwissenschaft language English abstract Why was there such a public outcry about *American Psycho* To add further dimensions to this question this paper will try to provide a deeper insight on the functions of violence in *American Psycho* To pursue that goal this paper follows a certain structure After providing background information on the author historical context and also the creational process of the book itself violence as portrayed in *American Psycho* will be analyzed Therefore a theoretical framework which ascribes specific functions to certain forms of violence will be created In a second step the forms of violence as presented in *American Psycho* will be discussed and classified on the basis of the previously constructed framework After having found named and classified distinct features of violence and their functions in the novel it will be investigated to what extent the horror Bret Easton Ellis has created differs from traditional illustrations of violence and horror The overarching question of this segment will be What did Bret Easton Ellis do differently which would explain the audience's intensive feeling of horror The introductory hypothesis is that *American Psycho* was able to use violence on various levels and with multiple functions Violence is not solely used to assign certain character traits to the protagonist and the society he lives in but also serves as vehicle to overcome the protagonist's

problems namely anonymity of the cold hearted world presented in the novel Furthermore violence also serves as a symbol for a constant and omnipresent threat which creates the feeling of horror Additionally violence is also used as a provocation while simultaneously hinting at the absence of ethics which then again turns out to be social criticism of the protagonist's world In addition to this the horror Bret Easton Ellis creates unites well known concepts brands locations etc and combines those with an until then unknown feature namely irrational and thereby uncontrollable violence This creates a feeling of realism which together with the absences of ethics moral judgment and rationality leaves the reader behind in a more vulnerable state than solely explicit violence in a surreal setting This hypothesis will be taken up by the end of the paper and will then be verified falsified or further modified
