Presbyterian Banner ,1902      *The Last Banner* Peter May,2007-02 Of the 16 NBA championships won by the Boston Celtics the most memorable is that of the 1985 1986 season the Celtics last championship to date Powered by the Hall of Fame skills of the legendary Larry Bird Robert Parrish and Kevin McHale the team was virtually unstoppable The Last Banner offers a fascinating behind the scenes look at this remarkable team      National Message and Banner ,1930      *Furl that Banner* David O'Connell,2006 In 1879 Abram J Ryan s name was a household name in the South especially after the publication of his book *Father Ryan s Poems* Republished a year later with a new title *Poems Patriotic Religious and Miscellaneous* and under the imprint of a Baltimore publisher with a national distribution network it would go through forty editions until 1929 The two most important poems were *The Conquered Banner* 1865 and *The Sword of Robert Lee* 1866 These works were committed to memory by three generations of school children in the South until about the middle of the twentieth century Margaret Mitchell who knew them by heart included Ryan as a character in *GWTW* because of her admiration for his work Ryan was the editor of the *Banner of the South* an anti Reconstruction newspaper in Augusta Georgia and popularized the term *Lost Cause* His outspoken views with regard to the policies of the federal government caused him to lose the support of the paper s owner Bishop Verot of Savannah When the paper was closed down he moved to Mobile Alabama serving as a parish priest for ten years He also spent three of these years 1872 1875 as the editor of the Catholic weekly of New Orleans the *Morning Star* and *Catholic Messenger* Until now no one has been able to understand why Ryan left the quiet life of retirement in Mississippi to begin preaching around the country to raise money Based on the study of the heretofore unknown correspondence between Ryan and two nuns in a Carmelite convent in New Orleans Ryan became convinced that he could save his soul by devoting the last years of his life to paying off the mortgage on their convent Tragically he worked himself to death in this endeavor This book is the first to place the Ryan story in its proper place Publisher s website      **Between the Flag and the Banner** Yael Yishai,2012-02-01 Because Israel has endured perennial armed conflict its national agenda places overriding importance on national security and family life At the same time Israel is a democracy that fosters equality for all its citizens Thus Israeli women are caught in a dilemma whether to show allegiance to the national cause or to raise the banner of feminism and focus on women s rights This book presents a broad perspective on the political life of Israeli women both Jewish and non Jewish It is the first book to explore Israeli women s political participation political identity and political organizations as well as public policy toward women Situating Israel in a comparative theoretical framework Yael Yishai focuses on the enduring tension between women s drive for power and their desire to belong and integrate from within      Under the Red Banner Elvira Grözinger,Magdalena Ruta,2008 The majority of European Yiddish speaking Jews was murdered by Hitler s National Socialists their cultural realm was destroyed After the war the Communist regimes suppressed Jewish culture but despite emigration of Jewish survivors small Jewish communities

continued to exist and made efforts to revive their culture in most of the Communist countries Jewish organizations clubs cultural societies and theatres were founded and a great number of Yiddish books newspapers and periodicals were printed despite political pressure hostility and persecution The cultural activity which developed under the red banner cannot of course be compared to the immense impact the Yiddish culture experienced before the Second World War but it was an important phenomenon in Jewish history which remained uninvestigated for a long time and has not been described in a proper way until today This volume of seventeen essays is a collection of papers delivered by scholars from the USA Sweden Israel Germany and Poland at the conference on Yiddish Culture in the Communists Countries in the Postwar Era which was organized at the Jagiellonian University Cracow in cooperation with the University of Potsdam in November 2006
