Country Life's Book of Dogs Agnes Stamp, 2025-09-16 A celebration of the many breeds of dog we love as seen through the pages of Country Life magazine from working the fields to romping through splendid gardens to lounging in beautifully appointed sitting rooms Throughout its 125 year history Country Life has chronicled our love affair with dogs This elegantly designed volume features seventy breeds based on Royal Kennel Club classifications hounds working dogs terriers gundogs herding dogs toys and utility Each breed profile includes modern and archival photographs along with history anecdotes and lore Here we see the romance of English country living through a canine lens From Jilly Cooper and her rescue greyhound to Trudie Styler's wolfhounds and many famous country estates such as Badminton House Belvoir Castle Castle Howard and Holkham Hall as well as the Royal Family with their dogs at Balmoral Windsor Castle and Highgrove the book offers an intimate look at Britain's stately houses gardens and gorgeous countryside Most of today's breeds originated in Britain or were codified by the Royal Kennel Club as covered by Country Life from its inception The book poignantly raises awareness about breeds that are today considered vulnerable to extinction such as the winsome Norwich terrier the stout bull terrier or the resolute otterhound currently ranked most endangered Also included are non native breeds that have long associations with the Royal Family or the nobility such as Pomeranians Queen Victoria's lifelong passion and pugs native to China but long an aristocratic favorite

about whatever was on his mind Happily but not surprisingly his concerns reflected the concerns of most adult Canadians at the end of the century Now the best and most enduring of his Diaries have been gathered as Saturday Night Lives Here Fraser gives us everything from astute and original takes on Canada s political and cultural life to savage satires on the depopulation of Atlantic Canada from comic take offs of Revenue Canada s income tax guides to denunciations of the horrific suppression of China s democracy movement This last Diary won a National Magazine award and fuelled a bitter fight in the House of Commons over trade with China Fraser s wry and whimsical side is also shown in Saturday Night Lives as he wonders what ever happened to the cherubim and seraphim who once populated the heavens or writes in bewilderment about why he s stopped raging at Brian Mulroney Those who have never before read Fraser s Diary are in for a treat and faithful readers of Saturday Night will welcome having the best of the Diaries between two covers *Something about the Author* Kevin S.
