**Christianity and Controversies over Homosexuality in Contemporary Africa** Ezra Chitando, Adriaan van Klinken, 2016-05-12 Issues of homosexuality are the subject of public and political controversy in many African societies today Frequently these controversies receive widespread attention both locally and globally such as with the Anti Homosexuality Bill in Uganda In the international media these cases tend to be presented as

revealing a deeply rooted homophobia in Africa fuelled by religious and cultural traditions But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them Complementing the companion volume Public Religion and the Politics of Homosexuality in Africa this book investigates Christian politics and discourses on homosexuality in sub Saharan Africa The contributors present case studies from various African countries from Nigeria to South Africa and from Cameroon to Uganda focusing on Pentecostal Catholic and mainline Protestant churches They critically examine popular Christian theologies that perpetuate homophobia and discrimination but they also discuss contestations of such discourses and emerging alternative Christian perspectives that contribute to the recognition of sexual diversity social justice and human rights in contemporary Africa [Daily Graphic](#) Yaw Boadu-Ayeboafah,2006-05-17

Bishop David Oyedepo Cerutti M. Osagie,Joshua Jogo,2014-10-07 I have always been fascinated by the story of the lion being the king of the jungle and through the benefit of hindsight the inspiration to do this mini secret of success book was as a result of the might and grace the grace of the lion On May 19 2014 few days to my birthday I wrote an elaborate piece in my column for BUSINESS WORLD in my segment called Business world on His Highness UAE Vice President Prime Minister and Ruler of Dubai His Highness Sheikh Mohammed bin Rashid Al Maktoum titled MAN BEHIND EMIRATE AIRLINE Few days later on my birthday MAY 29TH 2014 I got a parcel as birthday present and in the neatly wrapped pack was a big book by the subject matter himself Mohammed Bin Rashid Al Maktoum the voluminous book titled MY VISION Challenges in the Race for Excellence I love what I saw at the back of the book about the Lion and the gazelle as researched by the author With each new day in Africa a gazelle wakes up knowing he must outrun the fastest lion or perish At the same time a lion stirs and stretches knowing he must outrun the fastest gazelle or starve It is no different for the human race Whether you consider yourself a gazelle or a lion you simply have to run faster than others to survive In His Highness Sheikh Mohammed bin Rashid Al Maktoum viewpoint life consist of a number of opportunities and greater opportunities do not come knocking on people doors Whoever wants such opportunities must grab them when they arise for his people and for himself We have to be powerful strong willed determined and willing to grasp such opportunities so that we do not have to scavenge the leftovers of lions Not long after my reading this story of lion and gazelle I was in the gigantic Winners Chapel one Sunday and here was the anointed man of God Bishop David Oyedepo telling his mammoth flock the need to think and start living like lion in the race for life rather than acting like cows It is not a surprise that the narration and motivation of the story of lion as told by the Bishop can be said to be the true motivation behind this book in your hand today However it must be noted that the writer has gone a step forward to talk about the much speculated worth of the man of God what Forbes said he is worth and of course the book is further spiced with a rare never before seen type of quotes or inspirational sayings from the man called to liberate his people from abject lack or one manner of illness or the other I am confident that no matter your race religion or age this book can in one way or the other be of great motivation to you in your drive to either live like a lion or a gazelle

whether you call or see yourself as either of the animal you simply have to RUN faster than others to survive CHIEF MIKE CERUTTI OSAGIE 2014 *The Spirit of Acceleration* Tobe Momah, MD,2019-10-21 As many have had their hope deferred and their hearts sickened as a result The Spirit of Acceleration offers a rekindling of that hope The Spirit of Acceleration does in seconds or minutes what would normally take months or years to accomplish Wherever the Spirit of Acceleration dawns God quickens things up These last days are not a time for despair but a time for delight demonstration and deliverance According to apostle Peter it will be a time of refreshing and restitution of all things Acts 3 1921 This book espouses fundamental principles that guarantee speed and strength for the last day church before Jesus returns In this book God teaches believers to work with wisdom so they can be backed up by kingdom wealth and accomplish God s end time agenda The last day Spirit of Acceleration is God s last push to close the age and herald the return of the Lord Jesus Christ Only a church militant and on the move however can eject the enemy and get victory in life It takes speed to shine in life and going to manifest his glory God has saved the best for the last A glory that is unprecedented is about to shine forth from the church and it will herald his coming and be characterized by unusual speed and uncommon glory That is why in Romans 9 2830 the Bible says He will finish the work and cut it short in righteousness because a short work will the Lord make upon the earth so that the Gentiles which followed not after righteousness have attained to righteousness even the righteousness which is of faith David O.
