couldn't take my eyes off her Like a stalker I watched to see where she worked so I could find her again I don't know how I knew she was someone special but I did feel it that very first time without a doubt It wasn't until our paths crossed a second time and she spoke to me that my world tilted Something momentous happened when I heard that lovely British accent come out of her pretty mouth I don't know why a need to know her gripped me fiercely but it did A need greater than anything I'd ever experienced in my busy corporate life at the helm of Blackstone Global Enterprises making deals with a big line of zeros after the first digit I soon learned Brooke came from a world completely different from everything I had ever known in the privileged circle of New England high society in which I was raised I did not care that we came from vastly different worlds and backgrounds When I discovered we had an old family connection it became clear that this was so much more than a chance meeting bringing us together in the same space at the same time It was fate She was also the very first woman I'd ever met who was completely underwhelmed by my wealth and status So I made her an offer to redesign my home because what sane broke British girl turns down a job that will solve all her financial worries overnight Thankfully she didn't turn me down But fate or not Brooke wasn't looking for love or anything else she might get from me because she'd learned the hard way just how much damage the wrong guy could do What started between us as a silly flirtation over a plate of meatballs quickly turned into an all-consuming passion and the obsession to make her mine Forever Because I'm going to marry that beautiful girl from England and she will be mine Caleb Blackstone This work was previously published by Montlake an imprint of Amazon Publishing 2016 2nd edition by Raine Miller Romance 2025 SEARCH TERMS steamy romance novels steamy marriage billionaire book marriage love wedding romance pregnancy romance age gap romance older man saga romance billionaire family boston CEO damaged heroine protective alpha male hero steamy billionaire marriage book pregnant by billionaire boss employee romance billionaire in love instant attraction British heroine poor working girl and her billionaire client touch her and die Mr. Hockey Raine Miller, Brit DeMille, 2023-09-02 A hotheaded winger with a superhero complex trying to live up to his father's great legacy rescues a desperate damsel in distress with ninety-nine problems and discovers he wants to be so much more than just her friend in this friends with benefits he falls first superhero hockey romance When people say I have a superhero complex I take it as a compliment Mikhail Zelenka VEGAS CRUSH I met her on my way home from the gym one day It was really more like she accused me of stalking her and other things that made no sense to me at the time Reagan Marlowe was under the impression I was working for a Vegas crime boss about to give her the shakedown I was under the impression she was straight up crazy Gorgeous AF but crazy all the same So later when I came upon her with said shakedown in progress I knew she wasn't crazy at all just terrified and in trouble I didn't hesitate to step in and rescue her from the real criminals in this story She told me I was her own personal superhero and I probably saved her life I told her I was just a hockey player who happened to be in the right place at the right time and we should probably be friends So we did that we became friends Our friendship even grew to include the occasional naked
