GENERAL CHEMISTRY

The Essential Concepts

The cover features several molecular models on a dark, textured background. In the center, a diatomic molecule is shown with two purple spheres connected by a light-colored rod. To its right, a larger molecule with two purple spheres is depicted. In the bottom left, two purple spheres are shown with a bright green laser beam passing through them. Scattered throughout the background are numerous smaller, faint molecular models, some consisting of two purple spheres and others of a single purple sphere. A green arrow curves upwards from the central diatomic molecule towards the top right.
