Introduction To English Linguistics

Louise Mullany, Peter Stockwell

Introduction To English Linguistics:

Introduction to English Linguistics Ingo Plag, Maria Braun, Sabine Lappe, Mareile Schramm, 2009-04-07 This successful textbook introduces beginning university students of English to the study of English linguistics. Now updated and expanded, the second edition features a more detailed discussion of the differences between British and North American English and explains the differences in the two traditions of phonetic transcription. The major difference between this book and its potential competitors lies in its hands-on didactic orientation with a strong focus on linguistic analysis and argumentation. Language and linguistic theory are approached from a strictly empirical perspective: given a certain set of data to be accounted for, theoretical and methodological problems must be solved in order to analyze and understand the data properly. The book is not written in the perspective of a particular theoretical framework and draws on insights from various research traditions. *Introduction to English Linguistics* concentrates on gaining expertise and analytical skills in the traditional core areas of linguistics: i.e. phonology, morphology, syntax, semantics, and pragmatics. The final chapter on Extensions and applications widens the perspective to other areas of linguistic research such as historical, socio, and psycholinguistics. Each chapter is accompanied by exercises and suggestions for further reading. A glossary and an index facilitate access to terms and topics.

Introducing English Linguistics Charles F. Meyer, 2009-05-14 Are you looking for a genuine introduction to the linguistics of English that provides a broad overview of the subject that sustains students' interest and avoids excessive detail? *Introducing English Linguistics* accomplishes this goal in two ways. First, it takes a top-down approach to language, beginning with the largest unit of linguistic structure—the text—and working its way down through successively smaller structures: sentences, words, and finally speech sounds. The advantage of presenting language this way is that students are first given the larger picture; they study language in context and then see how the smaller pieces of language are a consequence of the larger goals of linguistic communication. Second, the book does not contain invented examples, as is the case with most comparable texts, but instead takes its sample materials from the major computerised databases of spoken and written English, giving students a more realistic view of language.

English Linguistics Christian Mair, 2015-10-28 *English Linguistics* is a compact and easy-to-use introduction to English linguistics, which is tailored to the needs of students of English at German, Austrian, and Swiss universities. It contains graded exercises to motivate students to carry out independent research and bridges the gap between linguistics and the literary and cultural studies components of the typical BA in English Studies. *Bachelorwissen English Linguistics* goes beyond the usual introduction by offering accompanying web resources which provide additional material and multi-media illustration.

The History of English Scott Shay, 2007-12-03 *The History of English: A Linguistic Introduction* is for anyone interested in the history of the English language. While leading the reader through the pre-history of English through Germanic times, Old English, Middle English, Early Modern English, and Modern English, the book also introduces the reader to concepts in theoretical and historical

linguistics It includes authentic texts from each period of the language from Beowulf to the King James Bible This book is a great introduction to the field of linguistics for anyone interested in language **English Words** Heidi Harley,2017-11-01 English Words is a comprehensive and accessible introduction to the study of English words from a theoretically informed linguistic perspective accessibly written to give students a command of basic theory skills in analyzing English words and the foundation needed for more advanced study in linguistic theory or lexicology covers basic introductory material and investigates the structure of English vocabulary introduces students to the technical study of words from relevant areas of linguistics phonology morphology syntax semantics historical linguistics and psycholinguistics **Linguistics and English Literature** H. D. Adamson,2019-04-04 This undergraduate textbook introduces English literature students to the application of linguistics to literary analysis *Introduction to English Linguistics* Ingo Plag,2007 The book introduces beginning university students of English to the study of English linguistics The major difference between this book and its potential competitors lies in its hands on didactic orientation with a strong focus on linguistic analysis and argumentation Language and linguistic theory are approached from a strictly empirical perspective given a certain set of data to be accounted for certain theoretical and methodological problems must be solved in order to analyze and understand the data properly Thus the theoretical apparatus is crucially developed in conversation with the data and not presented as a set of given facts After having worked with the book the students should be able to use necessary methodological tools to obtain relevant data such as corpora dictionaries experiments and to systematically analyze their data and relate their findings to theoretical problems The book is not written from the perspective of a particular theoretical framework and draws on insights from various research traditions *Introduction to English Linguistics* concentrates on gaining expertise and analytical skills in the traditional core areas of linguistics i e phonology morphology syntax semantics and pragmatics The final chapter on Extensions and applications widens the perspective to other areas of linguistic research such as historical socio and psycholinguistics Exercises and a glossary are also provided **Introduction to English Linguistics** Ingo Plag, Maria Braun, Sabine Lappe, Mareile Schramm,2007 The book introduces beginning university students to the study of English linguistics with a strong focus on linguistic analysis and argumentation Students are familiarized with the necessary methodological tools to obtain relevant data e g corpora dictionaries experiments and learn to systematically analyze their data and to relate their findings to theoretical problems *Introduction to English Linguistics* concentrates on gaining expertise and analytical skills in the core areas of linguistics phonology morphology syntax semantics and pragmatics The final chapter on Extensions and applications widens the perspective to other areas of linguistic research such as historical socio and psycholinguistics Key features covers the core areas of structural linguistics and some applications hands on approach to linguistic problems and analysis highly accessible through a strongly didactic reader friendly orientation *Introduction to English Linguistics* Annette Becker, Markus Bieswanger,2006 *The Structure of Modern English* Laurel J. Brinton,2000

This text is designed for undergraduate and graduate students interested in contemporary English especially those whose primary area of interest is English as a second language Focus is placed exclusively on English data providing an empirical explication of the structure of the language

taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Introduction To English Linguistics eBooks, including some popular titles.

FAQs About Introduction To English Linguistics Books

What is a Introduction To English Linguistics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Introduction To English Linguistics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Introduction To English Linguistics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Introduction To English Linguistics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Introduction To English Linguistics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
