Holocaust Cinema Complete Rich Brownstein,2021-10-01

Holocaust movies have become an important segment of world cinema and the de facto Holocaust education for many. One quarter of all American produced Holocaust related feature films have won or been nominated for at least one Oscar. In fact from 1945 through 1991 half of all American Holocaust features were nominated. Yet most Holocaust movies have fallen through the cracks and few have been commercially successful. This book explores these trends and many others with a comprehensive guide to hundreds of films and made for television movies. From Anne Frank to Schindler's List to Jojo Rabbit more than 400 films are examined from a range of perspectives: historical, chronological, thematic, sociological, geographical, and individual. The filmmakers are contextualized including Charlie Chaplin, Sidney Lumet, Steven Spielberg, Quentin Tarantino, and Roman Polanski. Recommendations and reviews of the 50 best Holocaust films are included along with an educational guide, a detailed listing of all films covered, and a four-part index/glossary.

Black Oscars Frederick Gooding Jr.,2020-05-24. A timely exploration of Oscar-nominated Black actors and the complicated legacy of the Academy Awards. In *Black Oscars: From Mammy to Minny*, What the Academy Awards Tell Us about African Americans, Frederick W. Gooding Jr. draws on American African American and film history to reflect on how the Oscars have recognized Black actors from the award's inception to the present. Starting in the 1920s, the chapters provide a thorough overview and analysis of Black actors nominated for their Hollywood roles during each decade, with special attention paid to the winners. Historical patterns are scrutinized to reveal racial trends and open the question of whether race relations have truly changed substantively or only superficially over time. Given the Oscars' presence and popularity, it begs the question of what these awards reflect and reinforce about larger society. In the meticulously researched *Black Oscars*, we see how the Academy Awards are an indispensable guide to understanding race in mainstream Hollywood and beyond.
