years of studying can't get used to using academic language. From this book you will know many useful words and expressions relevant for the scholarly style. If you consider yourself a dummy in academic style writing, you should definitely examine *Move the Rock of Academic Writing* thoroughly and try to follow our advice in practice. What is the book about? *Move the Rock of Academic Writing* contains five sections, each of which is divided into subsections. Each section is dedicated to a particular aspect of writing academic papers. After reading all of them, you'll have coherent and full comprehension on how academic papers need to be written. So what exactly can you learn from the book? The purpose of academic writing, types of academic papers, features of academic writing, usage of active and passive voice, essay writing structure, general tips on the structure and tips for each part in particular, Academic phrasebook, writing essay titles, verbs for scholarly writing, phrases to use in academic writing, commonly confused words in academic writing, Formatting styles: APA style format guide, MLA formatting and style guide, Chicago style manual, Harvard style guide, Development of academic writing skills, voice in academic writing, paraphrasing, summarizing, mapping out ideas, connecting ideas, enhancing originality. *Move the Rock of Academic Writing* was designed by experienced academic essay writers who have been dealing with academic research and writing for many years. All the tips and recommendations given in the book were assembled according to students' common mistakes and weaknesses. Theoretical instructions presented in the book are supported with examples. Hopefully, they will ease the process of adapting certain maxims for you. In the book, you will find an academic word list that you can use to make your paper look scholarly. Also, we have presented examples which concern one of the most problematic issues for students about academic writing: grammar. For academic writing, it's crucial to follow the rules of grammar exactly. Therefore, you'll learn some grammatical rules that students usually omit or forget. Though the book encompasses general recommendations about all types of papers, we have mostly focused on essay writing, as this type of paper is the most common. The authors of *Move the Rock of Academic Writing* have gathered all information that a high school student might need for academic writing. It's a handy book that you can refer to anytime you are having difficulties with the scholarly style or when you need to see an academic vocabulary in use from our examples. Purchase our book to improve your scores and writing skills. **The Reference Catalogue of Current Literature**, 1894
