Behavior Analysis for Effective Teaching Julie S. Vargas, 2020-05-11. Behavior Analysis for Effective Teaching is a clear, comprehensive book on the integration of non-aversive behavior analysis principles into classrooms and other school settings. Carefully revised and updated throughout this third edition, it includes new content on precision teaching and a new chapter on how teachers can provide appropriate education for students with special disabilities who are included in their classrooms. Focused on merging behavior management with effective student instruction and illustrated with examples from real teachers' experiences, the book is an ideal primary resource for undergraduate and graduate courses in teacher education, special education, school psychology, and school counseling, as well as for preparation toward the BACB Credentialing Exam.

Principles of Behavior Plus MySearchLab with Pearson eText -- Access Card Package Richard W. Malott, Joseph T. Shane, 2013-10-22. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab check with the seller before completing your purchase. Used or rental books: If you rent or purchase a used book with an access code, the access code may have been redeemed previously, and you may have to purchase a new access code. Access codes: Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. Helps readers understand and appreciate behavior analysis. Since the first edition of Principles of Behavior, the authors have sought to address the unique needs of students. This title has been written so that students of all levels will benefit from a solid introduction to the principles of behavior. The authors have laid the groundwork for behavior analysis through an exploration of experimental, applied, and theoretical concepts. Case studies and everyday examples help readers apply principles of behavior to real life. MySearchLab is a part of the Malott Trojan program. Research and writing tools, including access to academic journals, help students explore behavioral analysis in even greater depth. To provide students with flexibility, students can download the eText to a tablet using the free Pearson eText app. 0205987176, 9780205987177.
