Does the idea of combining exploration with the challenge of physical exercise appeal to you? If yes, then the guided bicycle tour from Amsterdam to Brussels is the perfect choice for you. The route is cycled, under the supervision of a guide, over the span of eight days. **1** Riders cycle about 24 miles per day on average and they also travel by train, barge and ferry.

2 Then, cyclists are taken by a ferry to the city of Bruckelen, where the route continues for about 23 miles to the next city. Along the way, cyclists pass by many well-known sites, such as the impressive Castle de Meer. This castle was originally constructed in the 15th century but, because it was attacked repeatedly, it had to be restored several times. Major work was done to the castle from 1892 until 1912.

Cyclists continue, after resting, to the old town of Hartogenbosch. Here, a must-see is the Cathedral of St John, which has been admired for years for its Gothic architecture and richly decorated interior. **3** Next, there are a few more ferry trips and a lot more cycling until the Belgian border is finally crossed. Cyclists get the chance to explore the Flemish part town of Antwerp as well as the beautiful Flemish countryside. Next, the cyclists board a train which finally takes them to Brussels. **4** A final dinner of typical Belgian specialities such as mussels, chips and waffles is offered to the cyclists.

The cost of the guided cycling tour, including meals, accommodation, train and ferry fares, is around €25 euros. **5** The bike tour is only available from the months of May to September, when the weather is guaranteed to provide a safe and enjoyable journey.

C. Five sentences have been removed from the text. Choose from the sentences A-F the one which best fits each gap 1-5. There is one extra sentence which you do not need to use.

- Only experienced cyclists can appreciate it.
- Cheap flights to Amsterdam can be found if you book in advance.
- Here, cyclists have an entire day to explore the city with their guide.
