Harry and the Pirates Brian Lumley, 2009-07-21 Three long stories from Brian Lumley featuring Harry Keogh the original Necroscope Never before published in the US Harry Keogh the first Necroscope is arguably Brian Lumley's greatest creation In the Necroscope series readers saw Harry learn to use his powers to talk with the dead and travel instantaneously to any point in space and time They saw him take arms against the evil twisted metamorphic alien vampires who sought to feed off humans and enslave mankind They saw him suffer a great personal loss and then recover his family and later his humanity through a new love And they saw Harry wage the grimmest battle of his life against the vampire he himself was becoming Even after Harry's story was done Brian Lumley continued to write books about Harry's legacy the other Necrosopes who inherited his weird talents But Harry himself would not go quietly into that darkness that lies beyond an author's imagination and now Brian Lumley has written three new novellas about Harry and his supernatural adventures which are published for the first time in the United States in Harry and the Pirates At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
