Focus On: 100 Most Popular Unreal Engine Games Wikipedia contributors, **The Cinema of John Milius** Alfio Leotta, 2018-12-06 This book is devoted to the critical study of the cinema of John Milius filling a major gap in the literature by combining the examination of the artistic historical and cultural significance of Milius work with an in depth analysis of his films Although most contemporary film viewers have forgotten him John Milius has been one of the most influential and controversial film makers in the history of American cinema Along with the likes of George Lucas Francis Ford Coppola and Martin Scorsese Milius was a central figure of the so called New Hollywood Milius who gained an Academy Award nomination as screenwriter for *Apocalypse Now* 1979 reached the apex of his directorial career in the 1980s with films such as *Conan the Barbarian* 1982 and *Red Dawn* 1984 More recently he was involved in a series of innovative projects such as the creation of the HBO series *Rome* 2005 2007 and the invention of the Ultimate Fighting Championship **Homefront**, 1970 **Home Front Heroes** Elizabeth Abele, 2013-12-03 This book traces the effects of the feminist and civil rights movements in the construction of Hollywood action heroes Starting in the late 1980s action blockbusters regularly have featured masculine figures who choose love and community over the path of the stoic loner committed solely to duty The American heroic quest of the past 25 years increasingly has involved a reclamation of home creating a place for the Hero at the hearth part of a more intimate community with less restrictive gender and racial boundaries The author presents pieces of contemporary popular culture that create the complex mosaic of the present day American heroic ideal Hollywood popular films are examined that best represent the often painful shift from traditional heroic masculinity to a masculinity that is less exceptional and more vulnerable There are also chapters on how issues of race and gender intersect with the new masculinity and on subgenres of 1990s films that also developed this postfeminist masculinity **Annie's Doll: World War II on the Home Front** Mary Ann Eiler, 2023-06-16 Six year old Annie is living a nightmare no one should have to endure alone World War II is raging in Europe and in the Pacific and though Annie is far from the front lines she feels the horror of war on the home front beloved neighbors are killed in action her family hears of relatives suffering in Europe and she sees war s violence and destruction in weekly newsreels Strict rationing and blackouts challenge her own daily life Added to this when Annie contracts rheumatic fever she has her own war to win if she is to survive But she has a constant companion the chubby baby doll a 1942 Christmas gift who helps her fight to get well and survive the heartaches of war Everyone loves her doll even her school mate Emile a war guest from France and her aviator pen pal in the Royal Air Force Inspired by her own recollections of World War II and the personal accounts of war veterans Eiler has written a sobering reminder of the sacrifices of war as a tribute to The Greatest Generation intended for children studying the war and adults alike The doll opens a gateway to discussing difficult topics with children like hope and perseverance in the face of illness and crisis while the novel s focus on magical play will interest doll and toy enthusiasts In the novel s magical ending Eiler offers a touch of

whimsy The war is over The celebrations have ended Not to be outdone Annie s doll makes her a promise the reader will hold dear who said dolls can t talk
