Oswald Sanders, 2009-01-01 As J Oswald points out true discipleship is

more than intellectual assent to a belief in Christ it involves the whole person and lifestyle Those with only superficial belief will soon fall away from the faith but Sanders says a true disciple would rather be presented with a difficult challenge than a soft option Disciples are charged with the task of training themselves to be godly because it is their responsibility to remain spiritually fit Ever fresh topics in this time tested volume include the disciple s second chance the disciple s ambition the disciple s senior partner the disciple s Olympics the disciple s right the disciple s maturity Teaching Them Obedience in All Things Edgar J. Elliston,1999 The seventh installment in the EMS series provides presentations originally given at meetings held in November 1998 Topics include the biblical and missiological foundations for training evangelical pastors and missionaries contextualization of curriculum Christian higher education and case studies in both postmodern settings as well as traditional ones **Biblical Principles of Discipleship** Dmitriy Y. Zhrebnekov,2011 **Principles of Discipleship** Charles G. Finney,1988-02-01 Following a period of great revival Charles Finney reached a point of physical exhaustion which resulted in his writing a series of articles on various subjects to continue the work of discipleship in the new believers scattered throughout the regions of revival These practical instructions were published in the Oberlin Evangelist periodical and took the form of letters addressed to specific themes They now are collected and edited by Pastor L G Parkhurst to appear for the first time in book form As well as letters concerning sanctification major themes include Finney s letters To New Christians To Ministers To Parents To Christians The One Step with Jesus Restoration Program Robert Vann,2020-01-27 A STRICTLY BIBLICAL PERSPECTIVE MINISTRIES has developed the WORD FOCUS FELLOWSHIP GROUP as a Christian alternative to the world s recovery system which addresses addiction by teaching individuals how to manage sin addiction through behavioral modification Jesus Christ did not give His life on Calvary so a Christian could learn to manage sin but so that they could be set free from the penalty power and eventually the presence of sin God s plan for addressing addiction is far superior to man s plan because it not only restores a believer physically socially and psychologically but it addresses the root cause of addiction spiritual death God s plan salvation spiritually changes a person s nature and provides the potential for their soul to be restored mind will and emotions as well and addresses all of life s issues A WORD FOCUSED FELLOWSHIP GROUP Level 1 is a highly interactive open ended discipleship group based on 5 Biblical principles To advance from one principle to the next the group process requires an individual to learn a memory verse and complete a designated exercise that must be shared within the group It is a discipleship series that takes the Body of Christ back to biblical basics founded on the doctrines of salvation repentance rebirth justification and adoption positional and progressive holiness sanctification Emphasis is placed on a believer understanding and accepting their new identity in Christ enabling them to Walk in the Spirit It is designed with a biblically strategic format with a five fold in purpose A STRICTLY BIBLICAL PERSPECTIVE MINISTRIES has developed a Facilitator Guide for use in conjunction with the WORD FOCUSED FELLOWSHIP GROUP The Facilitator Guide is designed to assist counselors lay counselors and mentors in facilitating the

Brave New Discipleship Max Anders,2015-02-10 Brave New Discipleship presents a new and comprehensive discipleship model for Christians living in a culture that has grown increasingly hostile to spirituality This book is a toolkit of biblically sound ways to grow and strengthen your church We live in a social climate that tries to force spirituality to take a backseat to cultural demands We see this in the way technology has made it easy to access any kind of moral degradation We see this in the deteriorating ethical landscape of popular culture from unrestrained violence to open explorations of deviant lifestyles Many young Christians see this as normal In response to this Christians and especially the church at large need a holistic discipleship strategy that addresses all areas of life to meet the new challenges of a radically shifting and secular modern world Max Anders will help you and your church integrate the best of modern educational research to guide the most effective discipleship strategy possible Using strong biblical principles Brave New Discipleship Explores the seven spiritual responsibilities or marks of a Christian Describes the three educational goals in a Christian s life that lead to spiritual growth Explains and employs a set of knowledge lifestyle and ministry skill methods that impact the Christian s life and walk with Christ Throughout Anders explores Scripture and sheds light on what is negotiable and what is non negotiable for modern ministry Features include Memory exercises to help the reader absorb a summary of what he or she has read Understanding exercises to help the reader put into his own words what he or she has read to be sure he grasps the truth Application exercises to allow the reader to apply the truth to his or her personal life

[The Joy of Following Jesus](#) John Oswald Sanders,1998 Each fast moving chapter is packed with Scripture references establishing the essential elements of a disciple s life style Sanders spotlights twenty of those elements including the disciple s partnership with the Holy Spirit commitment to prayer and spiritual health relationship to others and the disciple s relationship to Christ back cover

In His Footprints John Ramasamy,2013-06-24 This book is a call for a radical commitment to following Jesus in terms of His conditions It laments the fact that too many professing Christians are contented with a very comfortable form of religion without dedicating themselves to the cause of the gospel Disciples are those who make things count They are never satisfied with the status quo They desire to see revival and renewal wishing to see lives transformed and numerical growth in the Church There is a passionate desire to fulfil the call of God on their lives They become an integral part of the vision and mission of their churches

The Five Pillars of Discipleship Chima E Umejiaku,2020-03-13 Christian discipleship is a fundamental biblical trust demonstrated in the ministry of Jesus Christ and within the early church Knowing the importance of discipleship Jesus walked closely with his disciples to influence their lives so they could in turn influence the world an impact felt around the world for many generations Christendom today puts less emphasis on the importance of Christian discipleship and the result is a generation of believers who are not deeply rooted in the basic principles of Christianity Proper Christian discipleship can not only equip believers with tools for effective ministry but also establish in them the basic

biblical truths that they can pass on to future generations The Five Pillars of Discipleship stresses the importance of five basic principles in Christian growth Word of God prayer evangelism fellowship and praise and worship Christians who constantly practice these things will be spiritually strong and also sound in Christian doctrines Uplifting and encouraging this guide calls on pastors and ministers of the gospel to return to the fundamental truth of biblical discipleship for the benefit of all believers and their ministry The Christian Index ,1996
