Legendas dramaticas Moisés Kantor, 1924 **Les Chiens Andalous** Manuel Ocampo, 2001 This is the catalogue of an exhibition of paintings and works on paper curated by artist Manuel Ocampo and featuring work by Ocampo and three of Spain s most dynamic contemporary artists Patricio Cabrera Chema Cobo and Curro Gonz lez Of the many brilliant artists that the Philippine born Ocampo met during his sojourn in Seville the three he has included in this exhibition Cabrera Cobo and Gonz lez inspired his deepest admiration Ocampo writes in his introduction All three painters have established careers in their native country so I am by no means trying to organize a show featuring a new trend in Spanish art or a survey of Andalusian artists I have noticed however that only a very small number of Spanish artists are widely known in the U S and internationally This exhibition is my attempt to broaden an appreciation of Spanish painters with a focus on the province I love most Les Chiens Andalous combines four outstanding artists whose visions are fortified with historical and political awareness yet tinged with what Ocampo calls Spanish surrealism s twisted logic Citing the Luis Bu uel film from which the exhibition takes its name he points out What the movie is notorious for is the scene depicting what some consider the most violent act committed against the eye in film history I hope the works included in this show attack the visual senses in a similarly positive and liberating way
