

Visual learner Notes

This image is a collage of 23 pages of visual learner notes for anatomy and physiology. The notes are arranged in a grid-like fashion, with a large central illustration of the human torso. The central illustration is split into two parts: the left side shows the skeletal structure (ribs, spine, pelvis, and arms) in a light grey color, and the right side shows the internal organs (heart, lungs, liver, stomach, and intestines) in various colors (red, orange, yellow, and blue). The surrounding pages contain various diagrams, text, and illustrations related to anatomy and physiology, including:

- Diagrams of the human body showing different systems (e.g., circulatory, respiratory, digestive).
- Close-up diagrams of specific organs and structures (e.g., heart, lungs, stomach, intestines).
- Textual notes and lists providing detailed information about the systems and organs.
