Essentials of Strategic Management John E. Gamble, Aron Thompson, 2008-08-01

Corporate Social Responsibility and Governance Panagiotis Dimitropoulos, Efthalia (Elia) Chatzigianni, 2022-03-10 Corporate social responsibility CSR has developed into a crucial corporate and organizational issue around the world It has been incorporated into various sectors and countries and includes many types of activities and dimensions It is a common notion that organizations are more inclined today to broaden and shift their performance focus from short term goals towards long term social environmental and value added perspectives Under the framework of corporate governance organizations and companies are motivated to promote fairness transparency ethics and accountability in their transactions while concurrently maintaining enhanced standards of governance This means that organizations and corporations must align their activities with community aspirations which is an issue falling within the sphere of CSR Increased attention has been placed on the organizations regarding their approach towards the needs of various stakeholders However a crucial issue that this book attempts to address is the association intersection and inter relationship between governance and CSR within the EU region which are not adequately established in the existing literature The book will show that governance and CSR are highly connected With the purpose of studying the association of CSR with legal managerial and empirical aspects of governance in

corporations and not for profit organizations in various sectors of the economy the book also intends to provide useful policy implications as well as to offer constructive directions for future research This book will be of value to researchers academics practitioners policymakers and students in the fields of CRS and governance organizational theory marketing management business ethics and human resource management

The Evolution of Strategic Management: Challenges in Theory and Business Practice Tomasz Kafel, Bernard Ziębicki, 2021-01-01

Purpose Strategic management has been developing in business theory and practice for over 50 years Presently it constitutes the main area of research interest in management science The contemporary conditions of business operations create new challenges for strategic management such as the use of dynamic capabilities in strategy building relational strategies networking of organizations technology development and automation of processes and global strategies These challenges are often referred to as neostrategic management The purpose of this publication is to present the findings of research concerning new strategic management concepts and challenges

Methodology The main research method of this article was a narrative literature review On the basis of the research the development of the concepts as well as contemporary trends and challenges of strategic management were characterized There is also a synthesis of the problems and research results presented in the articles in this special issue of JEMI

Findings Various schools and approaches to strategy formulation have been created They indicate different factors that allow for success in strategic management such as setting long term goals selection of programs and their execution plans planning school connection of the enterprise with the environment evolutionary school focusing attention on competitive advantage and achieved performance position based school focus on one s own resources and competences resource school use of opportunities and creating innovation simple rules school selection of the best option and orientation in business management real options school or eclectic perspectives integrating the listed approaches

The strategic management concept has two dimensions The first dimension is related to the emergence of subsequent new strategic management concepts which often hark back to the previous schools and approaches The second dimension of development applies to operationalization and adjustment of the previous concepts to the changing conditions

Implications for theory and practice The paper characterizes the research results presented in the articles included in this JEMI issue They deal with various problems and challenges in the field of strategic management such as the relationship between market dynamics market orientation and performance of enterprises the innovativeness of companies as a contemporary strategic orientation of companies the strategy implementation and the management of the organization change problems of strategic management of the development of the city Originality and value The problems presented in the study relate to challenges and new concepts in strategic management They enrich the existing knowledge on the development of strategic management and also create inspiration for further research in this area

Keywords evolution of the strategic management concept neostrategic management strategy implementation success market dynamism strategic management of cities innovation strategy

Table of

Contents Dynamics of the evolution of the strategic management concept From the planning school to the neostrategic approach 7 Tomasz Kafel Bernard Zi bicki The impact of market orientation on the performance of MSMEs operating in technology parks The role of market dynamism 29 Anna W jcik Karpacz Jaros aw Karpacz Joanna Rudawska Innovative activity of Polish enterprises a strategic aspect The similarity of NACE divisions 53 Edyta Bieli ska Dusza Monika Hamerska The strategy implementation process as perceived by different hierarchical levels The experience of large Croatian enterprises 99 Valentina Ivan i Lara Jelenc Ivan Mencer Is dominant logic a value or a liability On the explorative turn in the German power utility industry 125 Ekaterina Brandtner J rg Freiling City policies to promote entrepreneurship A cross country comparison of Poland and Germany 159 Jan Fazlagi Aleksandra Sulczewska Remi Windham Loopesko Global Strategic Management Heidi Vernon-Wortzel, Heidi Vernon, Lawrence H. Wortzel, 1990-12-04 Addresses central issues in the management of multinational and global corporations an area of growing importance in the current age of restructuring feverish competition and political upheaval Focuses on the dramatically different environment in which managers now function Further it examines the new and more sophisticated tools that will be needed in marketing production finance and control and research and development in order to remain competitive With 31 new readings written by a wide range of leading authors in the field it contains indispensable advice for managers in the global setting *Essentials of Strategic Management?* GAMBLE, 2026-01-13 **Fundraising for Sport and Athletics** Richard Leonard, 2026-02-10 In the third edition of *Fundraising for Sport and Athletics* author Richard Leonard expands upon the foundation of fundraising offered in previous editions with advanced strategies updated fundraising program examples and additional scholarly support of the administrative concepts
