

European Code of Practice for Food Additives and Premixtures Operations

2 - Introduction

The European Code of Practice for Animal Feed Additives and Premixtures Operations (CEP) is in line with the Regulation of the European Parliament and the Council laying down requirements for feed hygiene, (EU)2017/1355, in particular articles 20 to 22 which encourage the development of codes of good practice on hygiene and the application of HACCP principles.

Implementation of the Code aims to encourage operators to be put in place to ensure the safety and quality of feed additives and premixtures; the operation of businesses in accordance with European feed hygiene requirements, and improved traceability. The Code applies equally to users from third countries of feed additives and premixtures.

In order to align the Code with current animal feed legislation and various activities on national, industrial and/or association levels, it refers and covers the principles of feed and feed safety as well as HACCP principles that are set out in various international documents further down and EC legislation, in particular:
