**Applied Psycholinguistics and Multilingual Cognition in Human Creativity** Christiansen, Bryan, Turkina, Ekaterina, 2018-10-19 Multilingualism is becoming a social phenomenon governed by the needs of globalization and cultural openness. Owing to the ease of access to information facilitated by the internet, individuals' exposure to multiple languages is becoming increasingly frequent, thereby promoting a need to acquire successful methods in understanding language. *Applied Psycholinguistics and Multilingual Cognition in Human Creativity* is an essential reference source that discusses the psychological and neurobiological factors that enable humans to acquire, use, comprehend, and produce language, as well as its applications in human development, the social sciences, communication theories, and infant development. Featuring research on topics such as international business, language processing, and organizational research, this book is ideally designed for linguists, psychologists, humanities, and social sciences researchers, managers, and graduate-level students seeking coverage on language acquisition and communication.

Publisher description.

**Neutrosophic Sets and Systems, Vol. 88, 2025** Florentin Smarandache, Mohamed Abdel-Basset, Maikel Leyva Vazquez, This volume of *Neutrosophic Sets and Systems* presents a collection of papers focused on the advanced studies and applications of neutrosophy, neutrosophic set, neutrosophic logic, and neutrosophic statistics. The research explores how these concepts generalize classical logic and fuzzy sets by incorporating a degree of indeterminacy. The articles within this issue apply these theories to a wide range of fields, including digital media, art, design, decolonial thought, rural, legal aid, education, informatization, public landscape design, and cross-border digital marketing. The works demonstrate the use of neutrosophic frameworks to model complex, uncertain, and contradictory data, offering new methods for decision-making and problem-solving in various domains.

*Human Development and Interaction in the Age of Ubiquitous Technology* Rahman, Hakikur, 2016-06-27 The human condition is affected by numerous factors in modern society. In modern times, technology is so integrated into culture that it has become necessary to perform even daily functions. *Human Development and Interaction in the Age of Ubiquitous Technology* is an authoritative reference source for the latest scholarly research on the widespread integration of technological innovations around the globe and examines how human-computer

interaction affects various aspects of people's lives. Featuring emergent research from theoretical perspectives and case studies, this book is ideally designed for professionals, students, practitioners, and academicians. **Essentials of Human Behavior** Elizabeth D. Hutchison, 2016-08-11. *Essentials of Human Behavior* combines Elizabeth D. Hutchison's two volume *Dimensions of Human Behavior* to present a multidimensional framework for understanding human behavior. Integrating person, environment, and the life course, this best-selling text leverages its hallmark case studies and balanced breadth and depth of coverage to help readers apply theory and general social work knowledge to unique practice situations. Now in four color and available with an interactive eBook, the Second Edition features a streamlined organization, the latest research, and original SAGE video to provide the most engaging introduction available to human behavior. **Construction Workforce Management in the Fourth Industrial Revolution Era** Lerato Aghimien, Clinton Ohis Aigbavboa, Douglas Aghimien, 2024-02-12. Through a critical review of existing related theories and models, the authors address gaps in existing workforce management studies and propose a conceptual model to improve the management of workers in the construction industry.

[Global Environment Outlook - GEO-6: Healthy Planet, Healthy People](#) UN Environment, 2019-06-06. Published to coincide with the Fourth United Nations Environmental Assembly, UN Environment's sixth Global Environment Outlook calls on decision makers to take bold and urgent action to address pressing environmental issues in order to protect the planet and human health. By bringing together hundreds of scientists, peer reviewers, and collaborating institutions and partners, the GEO reports build on sound scientific knowledge to provide governments, local authorities, businesses, and individual citizens with the information needed to guide societies to a truly sustainable world by 2050. GEO 6 outlines the current state of the environment, illustrates possible future environmental trends, and analyses the effectiveness of policies. This flagship report shows how governments can put us on the path to a truly sustainable future, emphasising that urgent and inclusive action is needed to achieve a healthy planet with healthy people. This title is also available as Open Access on Cambridge Core.
