Ancient Alien Ancestors Will Hart, 2017-07-18 Explores evidence for the theory of directed panspermia that life on Earth and the landscape of Earth itself was engineered by extraterrestrials Details how the Earth was terraformed through a sophisticated geo engineering program providing clear examples such as the precise mathematical longitude configurations of the Great Pyramid of Giza with the major rivers on Earth Shows how our spectrum of blood types supports the theory of panspermia while directly contradicting the conventional out of Africa theory of evolution Examines the strongest modern UFO accounts including the Russian Roswell case as well as the suppressed UFO sightings of NASA astronauts In the early 1970s Nobel Prize winning DNA co discoverer Sir Francis Crick and his colleague Leslie Orgel proposed that in the distant past an extraterrestrial race sent a spacecraft loaded with microorganisms to seed the Earth with life Now more than 40 years later the fields of space research and biotechnology have advanced to the point where they can back up Crick and Orgel's claims about our ancient alien ancestors Sharing scientific evidence of alien involvement with life on our planet and with the very landscape of Earth itself Will Hart refines the theory of directed panspermia that life was intentionally seeded on Earth by extraterrestrials to reveal that the same ET agency also created humans and generated civilization He shows how the Earth was terraformed through an engineering program so sophisticated and vast that it has escaped our attention so far for example the major rivers on Earth are precisely aligned through geo engineering with the Great Pyramid of Giza Revealing the Great Pyramid as an alien message in stone the author explains how the Giza pyramids could not have been built by the ancient Egyptians and examines the extraterrestrial energy technologies used to move the pyramids massive stone blocks methods later rediscovered by Nikola Tesla and the builder of Coral Castle Edward Leedskalnin He details how an advanced race implanted the basic genome on Earth as well as genetically engineered the human race and shows how our spectrum of blood types supports the theory of panspermia while directly contradicting the conventional out of Africa theory of evolution Investigating how the extraterrestrial agency behind the origin of civilization is still working behind the scenes today the author examines the strongest modern UFO accounts including the Russian Roswell case and the suppressed UFO sightings of NASA astronauts He shows that this advanced ET civilization is not an alien race in the way we normally think of aliens they are our ancestors and as human as we are

Ancient Aliens and Secret Societies Mike Bara, 2015-03-17 Did ancient visitors of extraterrestrial origin come to Earth long long ago and fashion man in their own image Did they then lift the human race out of the ashes of a great global catastrophe around 10 500 BC Were the science and secrets that they taught the ancients intended to be a guide for all humanity to the present era Was this crucial information about our future and our true past hijacked by secretive cabals some with bad intent and some with altruistic designs who have held these secrets over the millennia New York Times bestselling author Mike Bara says the answer to each of these questions is yes He examines ancient documents including the Bible to delve into the true story of the beginnings of mankind He establishes the reality of the major catastrophe that jolted the human race and traces the history of secret societies from the priesthood of Amun in Egypt to the Templars in Jerusalem and the Scottish Rite Freemasons He shows how the spiritual wisdom and scientific knowledge the ETs sought to bestow on all humanity were kept by these secret societies for their own benefit The influence of these sects and their extraterrestrial ties are said to be the stuff of myth but Bara will show readers that this influence is all too real extending even into the political arena He has a very interesting take on the Kennedy assassination Bara also reveals the true origins of NASA and exposes the bizarre triad of secret societies in control of that agency since its inception In the end Bara shows how NASA is manipulating the space program to fulfill occult purposes which may lead to our meeting the very ETs we have been inextricably linked with since the beginning *Ancient Aliens on the Moon* Mike Bara, 2020-03-27 Best selling author and Secret Space Program researcher Bara brings us this lavishly illustrated volume on alien structures on the Moon He looks into the history of lunar anomalies and the early NASA programs He gives us an examination of ruins on the Moon in the

Sinus Medii region using images from the Surveyor Lunar Orbiter and Ranger missions He looks at the Apollo lunar missions to the Moon and the photographic evidence supporting the theory that transparent domes exist at the edge of craters on the orb Did the domes encompass settlements of humans or other beings who lived there He looks at further anomalies in the Mare Crisium region including the hexagonal shape of the Crisium region itself In this area domes over the craters resemble watch crystals See the evidence in pictures of Cleomedes F and Cleomedes F a and an historical image of a giant shard of transparent material that was whitewashed from later versions of the same image Bara discusses the popular theory that the film 2001 A Space Odyssey was used as a training ground for Stanley Kubrick to develop the technology to fake the footage of the moon landings He also explores the curious mission of Apollo 17 possibly a technology salvage mission primarily concerned with investigating an opening into a massive hexagonal ruin near the landing site Bara details how the astronauts managed to get nearly 30 minutes of off camera time to investigate an entrance into the ruin and then later proceeded to a nearby crater to retrieve technological objects He examines evidence from the Russian Zond series of lunar probes as well as the more current Clementine and Lunar Reconnaissance Orbiter data including an in depth study of strange objects in Tycho crater Also included a look at the current politics of the new race to return to the Moon and what hidden agendas may be behind it Finally Bara looks at the various arguments that the entire Moon is an artificial object Bara shows how the Moon would have been an ideal place for an alien species involved in genetic experimentation on Earth to have set up a base
