Gregory Letterman,2001 Although customs and tariffs operate from a national perspective it is the overarching international structure of classification valuation etc that is imposed upon the national schemes that provide international customs and tariffs with a comprehensible global consistency whose understanding is of great importance for those dealing in international commerce It is this global scheme of customs and tariffs laws and practices that the author describes so thoroughly and well Having mapped out for the reader that global scheme he then describes the many types of variances and exemptions from the global scheme that must be understood as well Basic Guide to International Customs and Tariffs provides a highly readable description of its subject and a unique global perspective not encountered in other books dealing with the same topic Published under the Transnational Publishers imprint *World Trade Organization Dispute Settlement Decisions* ,2005-04-29 Basics of Multilateral Institutions and Multinational Organizations G. Gregory Letterman,2002 Identifying the relevant multilateral institutions and multinational organizations involved in particular aspects of international finance and trade often proves to be difficult This book makes that process easy while providing valuable descriptions of and insights into those institutions and organizations Chapter topics examine multilateral institutions and organizations generally and their major umbrella organization the United Nations concerned with national currencies national solvency financial institutions and securities exchange and international financial transactions and securities promoting economic development regulating international trade dealing with international product and performance standards standardized legal commercial rules and common usages and documents through international conventions and treaties the harmonization of national commercial laws and accepted

sectoral practices protecting international intellectual property rights managing international environmental commodities and natural resources matters resolving international disputes and involved with other international finance and trade matters No other book now in print covers this topic None is likely to ever do so with such thoroughness and clarity Published under the Transnational Publishers imprint **Reports of Cases Before the Court of Justice and the Court of First Instance** ,1993 *The Activities of the Council* Customs Co-operation Council,1992 **U.S. Import Trade Regulation** Eugene T. Rossides,1986 This book provides a thorough analysis of the laws and regulations governing imports and discusses unfair competition anti dumping and countervailing duty laws The complete texts of the GATT and MTN Agreements are included in the work **Select Documents on International Affairs** ,1984 American International Law Cases Bernard D. Reams (Jr.),1993 **West's Federal Supplement** ,1997 **The Serials Directory** ,1994 **Reports of Cases Before the Court of Justice and the Court of First Instance** Court of Justice of the European Communities,1997
