Readers Guide to Intermediate Japanese Yasuko Ito Watt, Richard Rubinger, 2021-05-25 The aim of this book is to help students struggling to become proficient in reading Japanese It fills a gap in the expanding literature on Japanese language instruction by focusing exclusively on patterns and expressions found in the written language Although many pedagogical aids to learning the spoken language are available there is very little to guide students who are trying to master the complexities of the written language Based on the authors extensive experience in teaching third and fourth year Japanese at American universities the Reader s Guide to Intermediate Japanese provides student friendly explanations and examples for phrases that occur with high frequency in written style Japanese Of particular value are the numerous cross references which make difficult verb endings much easier to access than do dictionaries textbooks or grammar books where they are often embedded in lengthy grammatical discussions English renderings Japanese synonyms brief structural notes and example sentences with English translations provide quick access to an alphabetical listing of entries Readings are provided for all Chinese characters used in the examples so that students can readily understand them without having to consult a character dictionary

Intermediate Japanese Workbook Michael L. Kluemper, Lisa Berkson, 2011-12-15 In the intermediate level of this highly acclaimed new series learners will continue to study the Japanese language through an engaging story line which slowly unfolds over the arc of the text keeping things interesting and adding the motivation needed to master new material The emphasis in Intermediate Japanese is on real life situations drawn from contemporary Japanese culture and authentic written visual and oral materials embedded in the lessons This multimedia approach is a great way to learn Japanese Available in both hardcover and paperback Intermediate Japanese includes an accompanying audio disc and free web based multimedia resources with additional exercises A separate Workbook is available with corresponding one of a kind practice activities What makes this series so popular The focus is very visual The book s narrative is told with manga style story pages and the CD_ROM uses colorful video Authentic written visual and oral materials are embedded very naturally throughout the book Independent learners and classroom students alike will find this an accessible and upbeat way to master contemporary Japanese Kanji characters are emphasized here more than in other textbooks and are taught as an integral part of learning Japanese spoken vocabulary rather than separately By the end of this book learners will have mastered 149 additional kanji for a cumulative total of 300 kanji

Intermediate Japanese Takae Tsujioka,2012 *Intermediate Japanese* Takae Tsujioka,Shoko Hamano,2012 The book is divided into two parts Part One outlines fundamental components of Japanese including particles question words verb types and tense while Part Two builds on this foundation by introducing grammatical patterns organised by the task they achieve Features include clear accessible format jargon free explanations of grammar many useful and culturally relevant examples abundant exercises with full answer key detailed index of grammar patterns *Intermediate Japanese* reviews the principal elements presented in its sister volume *Basic Japanese* and introduces more complicated structures Suitable for both classroom use and the independent learner the two books form a compendium of the essentials of Japanese grammar

Intermediate Japanese 1 ,1993-03-01 **Intermediate Japanese** ,1968 *Kanji Workbook for Intermediate Japanese* Yukie Aida,Junko Hatanaka,Naoko Suito,2011-06-27 **Intermediate Japanese Stories** Lets Speak Japanese,2019-11-10 The most enjoyable and effective way to learn new vocabulary is through reading since the words are not only learned in context but also while your interest is high However it is often difficult to find texts that are easy enough to read and are still intellectually rewarding The stories in this book were written using as many words from the JLPT N3 level as possible with exciting plots that will make you want to keep reading and hardly notice you are studying and they are full of enough mystery so you will want to read them again and thereby further review the vocabulary More than three quarters of the kanji and vocabulary needed for the JLPT N3 test are included and there are no words from the N2 and N1 levels except in a few instances where there is no substitute in which case they are marked with a star and their definition follows soon after Following each story is an English translation and a sequential list of all the N3 words used in the story along with their English translation so that new words can be learned quickly without the need of a dictionary The stories will also introduce many sentence structures required for the N3 test in a fluid way so that you can pick up the new grammar naturally Reading stories makes learning new vocabulary and grammar fun and easy But to make your learning most effective try to implement intelligent guessing before turning to the Vocabulary Word List try to guess the meaning of new words from context This builds stronger associations with the words you are learning
