Counseling and Christianity Stephen P. Greggo, Timothy A. Sisemore, 2012-07-24 This book provides a forum for five major perspectives on the interface of Christianity and psychology to display their distinctions in a counseling context Experts in each approach show how to assess conceptualize counsel and offer aftercare to a hypothetical client with a variety of complex issues

A Theology of Biblical Counseling Heath Lambert, 2016-04-05 A landmark textbook for Christian counselors that unpacks the core theological convictions behind sound counseling and outlines practical wisdom for counseling today Since the beginning of the biblical counseling movement in 1970 biblical counselors have argued that counseling is a ministry of the Word just like preaching or missions As a ministry counseling must be defined according to sound biblical theology rather than secular principles of psychology For over four decades biblical theology has been at the core of the biblical counseling movement Leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling and bad theology leads to bad counseling *A Theology of Biblical Counseling* is an ideal resource for use in training biblical counselors at colleges seminaries and training institutes In each chapter doctrine comes to life in real ministry to real people dramatically demonstrating how theology intersects with the lives of actual counselees

Contemplation and Counseling P. Gregg Blanton, 2019-04-02 Can contemplative prayer be integrated into therapeutic work Building an alliance between science theology and Christian contemplative thought Gregg Blanton presents a new paradigm for integrating contemplative prayer with counseling practice This practical resource offers eleven fundamental interventions to fit the needs of clients and a practical four stage process for helping clients change

Lay Counseling, Revised and Updated Siang-Yang Tan, Eric T. Scalise, 2016-10-11 This one of a kind resource provides pastors church leaders and non professional counselors with everything they need to establish a program for lay counseling This new edition has been thoroughly revised and updated in light of fresh research and outlines a practical training resource that can be used to train and equip lay counselors Filled with useful forms and questionnaires it also provides a helpful and comprehensive survey of the programs and resources that are currently available

Counseling and Psychotherapy Siang-Yang Tan, 2022-04-19 This substantially revised and updated edition of a widely used textbook covers the major approaches to counseling and psychotherapy from a Christian perspective with hypothetical verbatim transcripts of interventions for each major approach and the latest empirical or research findings on their effectiveness The second edition covers therapies and techniques that are increasing in use reduces coverage of techniques that are waning in importance and includes a discussion of lay counseling The book presents a Christian approach to counseling and

psychotherapy that is Christ centered biblically based and Spirit filled The Gospel for Disordered Lives Robert D. Jones, Kristin L. Kellen, Rob Green, 2021-10-01 This volume provides an introductory guide to the theory and practice of Christ centered biblical counseling Beyond the Clinical Hour James N. Sells, Amy Trout, Heather C Sells, 2024-03-19 There is an institution uniquely positioned to help to global mental health crisis the church In this encouraging roadmap psychologists James Sells and Amy Trout and journalist Heather Sells call clinicians students and educators to combine the science of the mental health discipline with the service of Christian ministry *Biblical and Pastoral Bridgework* Denise Dombkowski Hopkins, Michael S. Koppel, 2023-09-18 Whether singly or jointly authored these essays model dynamic interactive reading of human situations and biblical texts The exchange between texts and human situations reveals the multivalent complexities of both human situations and scriptural texts and cautions against a simplistic use of the Bible and of pastoral theory and practices Drawing upon both texts throughout the Bible and diverse psychological theories the authors bridge the long standing divide between the classical and practical disciplines in biblical studies and pastoral care The aim of this book is to spur readers imaginations toward critical engagement with the Bible and with one another to promote healing connection and justice in a world crying out for wholeness Gems hidden in plain sight within the Bible can become powerful tools for illuminating the pains and promises of the human condition *Psychology and Christianity* Eric L Johnson, 2009-09-20 How are Christians to understand and undertake the discipline of psychology This question has been of keen interest because of the importance we place on a correct understanding of human nature This collection of essays edited by Eric Johnson and Stanton Jones offers four different models for the relationship between Christianity and psychology **Christian Marital Counseling** Everett L.
