

The book cover features a detailed illustration in a muted, earthy color palette. It depicts a large, dark-feathered bird, possibly a crow or raven, in flight on the right side. In the center, a small, light-colored animal, likely a squirrel or chipmunk, is perched on a branch. Below the animal, several round, golden coins are scattered, some resting on the branches and others appearing to fall. The background is a textured, dark grey-blue with faint, branching patterns that suggest a forest or a network of paths. The overall mood is quiet and contemplative.
