A Concise Introduction to Mixed Methods Research John W. Creswell, 2014-03-31 John W Creswell's *A Concise Introduction to Mixed Methods Research* is a brief overview of mixed methods research that takes readers through the essential steps in planning and designing a study. Rather than offering an extensive treatment of mixed methods, this concise book offers individuals in the social, behavioral, and health sciences a foundation for understanding mixed methods methodology. Practical for use in workshops, seminars, global webinars, and as a supplementary text in undergraduate and graduate classes, Creswell's book is ideal for the beginner or the more advanced researcher looking for a quick primer in mixed methods by an authoritative mixed methods scholar.
