**Know Thy Gamer** Drew Dixon,2022-09-06 Between social media platforms the videos kids watch online or the television shows they can now stream from anywhere at any time keeping up with what our kids are doing has become more difficult than ever Still there has not been an influence quite like the video gaming world For a time video games were as simple as a blue hedgehog running from one side of the screen to the other Now video games create grand adventures of secret societies alien races that have come to destroy entire galaxies or dark forces that have arrived to destroy ancient kingdoms Video games can display wondrous environments but can also house blood and gore They can create adventures that get kids through rainy days but can also trap them in their rooms for untold amounts of time This leaves many parents with one of two choices They can either ignore the problems or they can simply not allow their children to play games at all Drew Dixon co founder of Love Thy Nerd a ministry that exists to be the love of Jesus to nerds and nerd culture offers a better way Let s face it the digital age has changed the way we parent So instead of ignoring what your children are playing or removing the games altogether Know Thy Gamer offers an opportunity for parents to understand their children and the kinds of games they are playing By discussing some of the most important movements in the gaming world Drew guides parents to understanding and loving their gamers through a Christian lens
