Leadership Peter G. Northouse, 2010. Leadership Theory and Practice Fifth Edition is the market leading survey text for leadership courses across disciplines. Author Peter Northouse combines an academically robust account of major theories, approaches, models, and themes of leadership with an accessible style and numerous practical exercises to allow students to apply what they learn about leadership both to themselves and to specific contexts and situations. The book is divided into fifteen chapters which cover all of the key aspects in the leadership field: defining leadership, trait approaches, skills approaches, style approaches, situational approach, contingency theory, path goal theory, leader-member exchange theory, authentic leadership, transformational leadership, team leadership, psychodynamic approach, diversity and leadership, culture and leadership, and leadership ethics. Enhancing the academic coverage are new case examples, questions for reflection, and leadership instruments and questionnaires that promote a more interactive and enriching experience for students. Features and Benefits: Breadth of theory coverage is substantial yet synthesized in such a way as to leave room for specific application and greater discussion of discipline or program specific issues. Numerous contemporary case studies supplement each major theory or topic to allow students to apply leadership concepts to specific scenarios. Leadership instruments and questionnaires provide effective reflection opportunities and often add a significant and immediate reality check to the theory presented. New coverage of authentic leadership and servant leadership expose students to additional contemporary theories and concepts of leadership. The chapter on Women and Leadership is expanded to broader diversity issues to still include gender. The enhanced Instructor Resources offer more test items, new cases, and access to academic journal articles organized by topic and or discipline. A new accompanying Study Site featuring additional topics, exercises, projects, cases, chapter summaries, video clips, and social networking tools encourages

active participation and learning among groups inside or outside the classroom Looking for other titles for your Leadership courses SAGE has published over 500 books on Leadership and we've developed a web page to help you find just the right one for your class
