Jewish State Or Israeli Nation

Christian G. Meyer

Jewish State Or Israeli Nation:

Jewish State or Israeli Nation? Boas Evron, 1995-06-22 an excellent book provides valuable insights into a broad range of cutting edge topics in the social sciences such as ethnic and identity politics nation building transnationalism and diasporas Choice This book will take its place as a classic in the field Journal of Church and State a lucid formulation of post Zionist ideology for the generation of the 1980s and 1990s International Journal of Middle East Studies It is a remarkable experience to read Evron s thoughtful book He finds much to criticize in the conventional reading of Jewish history and argues that Israel should be thought of not as a state for the Jewish people but as a territorial state much like others with full rights for all its inhabitants Foreign Affairs an extremely erudite brilliant and powerful book with a novel approach a sober secular conception of Judaism Maariv A provocative post Zionist critique of the fundamental concepts of Jewish peoplehood Zionism and Israeli nationalism Choice This compelling book conveys the reader straight to the frontline of the battle raging in Israel over the proper boundaries of the national identity Evron s radical post Zionist critique of Israel s conceptual foundations calls in question the core link between Israel and Judaism and between Israel and the Jewish diaspora His penetrating analysis challenges the muddled ideological bearings of Israel s public self images and points the way toward what may be a more realistic adaptation to its Middle Eastern environment Noah Lucas Oxford Centre for Hebrew and Jewish Studies Boas Evron is one of the most important and innovative contemporary Jewish Israeli thinkers and writers For the English speaking reader Evron s book is a unique opportunity to understand the new secular Israeli nationalism written by one of its most critical yet optimistic representatives Baruch Kimmerling The Hebrew University Boas Evron concludes that Israel should become a territorial state that would accommodate its sizeable non Jewish minority in a truly democratic way

Defining Israel Simon Rabinovitch, 2018-11-12 Defining Israel The Jewish State Democracy and the Law is the first book in any language devoted to the controversial passage of Israel s nation state law Israel has no constitution and though it calls itself the Jewish state there is no agreement among Israelis on how that fact should be reflected in the government s laws or by its courts Since the 1990s a number of civil society groups and legislators have drafted constitutions and proposed Basic Laws with constitutional standing that would clarify what it means for Israel to be a Jewish and democratic state Are these bills liberal or chauvinist Are they a defense of the Knesset or an attack on the independence of the courts Is their intention democratic or anti democratic The fight over the nation state law whether to have one and what should be in it toppled the 19th Knesset s governing coalition and even after its passage on July 29 2018 remains a point of contention among Israel s lawmakers and increasingly the Israeli public Defining Israel brings together influential scholars journalists and politicians observers and participants opponents and proponents Jews and Arabs all debating the merits and meaning of Israel s nation state law Together with translations of each draft law the final law and other key documents the essays and sources in Defining Israel are essential to understand the ongoing debate over what it means for Israel to be a Jewish and democratic

state **Jewish State, Pariah Nation** Jerold S. Auerbach, 2014-04-06 Jewish statehood was restored in 1948 amid a struggle over legitimacy that has persisted in Israel ever since Who rules Who decides Antagonism between the political left and right erupted into bloody violence over the Altalena Secular religious discord even made defining who is a Jew in a Jewish state contentious After the Six Day War the return of religious Zionist settlers to biblical Judea and Samaria reframed the struggle over legitimacy Who decides where in the Land of Israel Jews may live settlers and rabbis or the government Israel's invasion of Lebanon in 1982 provoked the first significant eruption of military disobedience undermining the authority of the Israel Defense Forces with competing claims of personal conscience Ever since the United Nations declared Zionism to be a form of racism Israel has confronted an escalating international assault on its legitimacy In political academic media and cultural circles it has been demonized as an apartheid even Nazi state that much of the world despises These conflicts are explored in this illuminating study of the dilemmas of legitimacy in the world's only Jewish state and most reviled pariah nation A new addition to the Contemporary Society Series from Quid Pro Books **To Be a Jewish State** Yaacov Yadgar, 2024-11-19 Examines the meaning of Jewish politics in Israel In one of the first books to ask head on what it means for Israel to be a Jewish state Yaacov Yadgar delves into what the designation Jewish amounts to in the context of the sovereign nation state and what it means for the politics of the state to be identified as Jewish The volume interrogates the tension between the notion of Israel as a Jewish state one whose very character is informed by Judaism and the notion of Israel as a state of the Jews with the sole criterion the maintenance of a demographically Jewish majority whatever the character of that majority's Jewishness might or might not be The volume also examines Zionism's relationship to Judaism It provocatively questions whether the Christian notion of supersessionism the idea that the Christian Church has superseded the nation of Israel in God's eyes and that Christians are now the true People of God may now be applied to Zionism with Zionism understood by some to have taken over the place of traditional Judaism rendering the actual Jewish religion superfluous To Be a Jewish State deeply informs the democratic crisis in Israel discussing whether Jewish laws put into effect by the state or political moves made to ensure a Jewish majority can be seen as undermining democracy In our current era with nationalism resurging To Be a Jewish State urges a critical re-assessment of the very meaning of modern Jewish identity

Israel: National Security and Securitization Ori Wertman, Christian Kaunert, 2023-04-17 This book is the first comprehensive book length analysis of Israel and securitization processes It develops an original analytical framework to ameliorate the theoretical understanding of the audience component during the securitization process drawing upon insights from both securitization theory political psychology and IR theory This gives us significant new insights into why some audiences are essential to be persuaded for securitization to occur while others are not This book also examines the role of the United States in defining what matters in Israeli National Security In essence since the United States is Israel's most significant ally it is essential for the Israeli leadership to gain the American government's support or its lack of resistance for

almost any securitization acts The book analyses a highly original set of interviews with prominent figures in Israel who were at the top level of the Israeli decision making process including members of the political and military echelons Through unparalleled access to Israel s political and security echelons Israel National Security and Securitization provides a unique overview of Israel s decision maker s political perception over the years Ehud Olmert Prime Minister of Israel 2006 2009 Israel National Security and Securitization provides a powerful analysis of how the State of Israel confronted security threats and what was the American involvement in the Israeli decision making process Amos Yadlin IDF Military Intelligence Directorate Chief 2006 2010 This book makes us understand securitization in a novel and enlightening way thus making a substantial contribution to our understanding of national security in general and Israeli security in particular Gabriel Ben Dor University of Haifa Wertman and Kaunert s book makes an important and unique contribution to the existing and developing literature on securitization Kobi Michael Institute for National Security Studies *Imagined Israel(s): Representations of the Jewish State in the Arts* Rocco Giansante, Luna Goldberg, 2023-02-27 The return of Jews to their ancestral land can be seen as an act of imagination A new country citizenship language and institutions needed to be imagined in order to be created The arts too have contributed to this act of envisioning and shaping the Jewish state By examining artistic representations of Israel *Imagined Israel s Representations of the Jewish State in the Arts* explores the ways in which the Israel imagined abroad and the one conjured within the country intersect offering a space for the co existence of sociopolitical cultural and ideological differences and tensions Israeli National Security Charles D. Freilich, 2018-03-08 The most comprehensive study to date of Israel s national security It combines an exhaustive analysis of the military diplomatic demographic and societal challenges Israel faces with the responses it has developed to present a detailed proposal for an overall new national security strategy the first such Israeli strategy ever published **The Jewish State: The Struggle For Israel's Soul** Yoram Hazony, 2000-05-07 The author describes the cultural and political revolt by Israeli cultural leaders against Israel s legal and moral standing as the state of the Jewish people The Jewish State Theodor Herzl, 2011-01-01 Theodor Herzl was born in 1860 in Budapest Hungary and raised by an Orthodox Jewish father and an unobservant Jewish mother It was quite a journey from there to becoming the founder of the World Zionist Organization and an influential figure in the establishment of the state of Israel Fueled by anti Semitic attitudes of late nineteenth century Europe Herzl promoted the concept of an entirely Jewish state a homeland for Jewish people in Palestine He published *The Jewish State* in 1896 in which he outlined a theory to employ diplomacy to get other powerful nations to support the foundation of such a nation and thereby liberate the Jews from a constant state of poverty and repression This work has been reprinted in over eighty editions in over eighteen different languages and has been an integral force in the promotion of a Jewish national identity **Comparative Jewish Politics: Israel and Diaspora Jewry** Sam N. Lehman-Wilzig, 1981 **The British-Israel Herald ...** , 1928 **The Margins of Jewish History** Marc Lee Raphael, 2000 **The National Jewish Monthly** , 1925 **Israel Studies** , 2008

The Aryanization of the Jewish State Michael Selzer, 1967 *Defender Magazine*, 1953 **The Jewish State** Theodor Herzl, 2022-11-13 In *The Jewish State* Theodor Herzl presents a profound and pioneering exploration of Jewish nationalism and the urgent need for a sovereign state for the Jewish people. Written in a direct and impassioned style, the book outlines Herzl's vision of political Zionism, arguing that the establishment of a Jewish homeland is vital for the safety and autonomy of Jewish communities facing persistent anti-Semitism. Contextually situated at the turn of the 20th century, the work encapsulates the socio-political climate of Europe where Jews experienced growing hostility, offering both a manifesto and a practical blueprint for achieving statehood in Palestine. Theodor Herzl, a journalist and playwright originally from Budapest, was deeply moved by the Dreyfus Affair, which exposed the rampant anti-Semitism in Europe. This personal and societal crisis galvanized Herzl, motivating him to explore the political avenues available to secure Jewish self-determination. His background in law and his experiences in journalism informed his articulate arguments and strategic vision, making him a seminal figure in the Zionist movement. *The Jewish State* is essential reading for anyone interested in understanding the foundations of Israeli statehood and the complexities of Jewish identity. Herzl's work not only influences Zionist thought but also resonates in contemporary discussions of nationalism, making this text a critical piece of literature for scholars and lay readers alike.

Forum on the Jewish People, Zionism and Israel, 1982 *Index to Jewish Periodicals*, 2000 An author and subject index to selected American Anglo-Jewish journals of general and scholarly interests *Israel and the Family of Nations* Alexander Yakobson, Amnon Rubinstein, 2009 Amnon Rubinstein and Alexander Yakobson explore the nature of Israel's identity as a Jewish state, how that is compatible with liberal democratic norms, and is comparable with a number of European states.

Jewish State Or Israeli Nation: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Jewish State Or Israeli Nation : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
