Speaking Clearly Jeffrey C. Hahner, Martin A. Sokoloff, Sandra L. Salisch, 2013-01-16 The Sixth Edition of *Speaking Clearly* guides readers through the challenging process of learning new speech behaviors as well as changing old ones. It will help readers achieve significant and lasting changes in voice and diction. Some of the valuable tools in the text include Voice and diction drills in increasing order of difficulty, Ear training techniques, A pronunciation list of frequently mispronounced words, Theory and drills on all of the component sounds of American English, An appendix covering foreign accents, and Icons in the text refer to the relevant Speech Lab segments. Included with *Speaking Clearly* is the Speech Lab, an integrated collection of audio files that provides drill materials for diction, voice, and vocal expression.

Functional Phonetics Workbook, Fourth Edition Mary Lou Marsoun Cancio, Sadanand Singh, Brooke R. Findley, 2024-07-09 The *Functional Phonetics Workbook* now in its fourth edition emphasizes the basics of learning the International Phonetic Alphabet (IPA) in a simplified, useful manner so students can be successful and confident at IPA transcription. It meets the need for undergraduate students majoring in communication sciences and disorders who require one semester of training in phonetics. The workbook includes clear diagrams illustrating how sounds are produced and transcription exercises to provide ample opportunities to develop command of the IPA. Audio files are included to help students strengthen their phonemic awareness skills and learn the symbol-sound associations of the IPA. This new edition includes updated examples, definitions, and activities throughout the text. New to the Fourth Edition: New co-author Brooke R. Findley. A new chapter titled *Introduction to Clinical Applications* which provides a review of introductory topics in speech sound disorders and addresses transcription of speech sound errors. Updated examples, definitions, and activities throughout the text. A re-organized presentation of chapters so that the vowels of General American English (GAE) are reviewed prior to consonants. Updated information of select symbols to ensure consistency with current IPA transcription practice.

This Language, A River: A History of English - Second Edition K. Aaron Smith, Susan M. Kim, 2026-03-25 *This Language, A River* is an introduction to the history of English that recognizes multiple varieties of the language in both current and historical contexts. The book aims to enable students both to grasp traditional histories of English and to extend and complicate those histories. The second edition updates and contextualizes terminology and provides expanded discussions of morphology, syntax, global Englishes, and the development of the discipline of historical English language study. The accompanying workbook includes exercises keyed to each chapter of the textbook. Exercises are graded into beginning, intermediate, and advanced groupings which will aid in making the textbook appropriate for different levels of students.

How Languages Work Carol Genetti, Allison Silver Adelman, 2019 A fully revised introduction to language in use containing in-depth language profiles, case studies, and online multimedia resources.

English Panorama 1 Teacher's Book Felicity O'Dell, 1997-10-16 *English Panorama 1* is the first part of a two-level general English course for adult and young adult learners at post-First Certificate level. It will be used by those who wish to pursue

their English studies for professional or academic reasons or for personal enjoyment Each unit focuses on a different genre or style of written or spoken English and grammar structures are studied in the context of these different styles Integrated vocabulary practice concentrates on collocations idioms and word building and study skills sections are included to promote effective study habits As well as giving detailed teaching notes on all the activities in the Student s Book the Teacher s Book contains transcripts of the listening material answer key and supplementary photocopiable revision exercises with at least one exercise relating to each unit Gateway to Italian Diction John Glenn Paton, As part of a series of coordinated diction manuals and anthologies this book helps students to move beyond diction to clear understanding and authentic style Thomas Hampson says the series not only achieves an excellent study of the tools for proper translation and diction it goes much deeper and more importantly to the teaching of musical and poetic expression from the inner side of the language Every Italian example word or phrase is translated into English *Descriptive Phonetics Transcription Workbook* Donald R.
