Principles of Marketing Philip Kotler, Gary M. Armstrong, 2012 The book presents fundamental marketing information in a comprehensive format including coverage on sustainability and a focus on marketing in the challenging economic climate of the 2010s *Handbook of Research on Interdisciplinary Reflections of Contemporary Experiential Marketing Practices* Akel, Gökhan, 2022-06-24 Technology has brought many innovations and changes in experiential design and experiential products and services The digital transformations brought about by technology have led to problem solving creative functioning and unique improvements along with experiences Human digital experience interaction prevails in many areas of modern society and in order to evaluate this interaction a more balanced understanding of digital and experience processes is required The Handbook of Research on Interdisciplinary Reflections of Contemporary Experiential Marketing Practices discusses innovative research on experiential marketing and evaluates the interdisciplinary reflections of practices from different perspectives The book also explores how the concept of experience is developed managed and marketed according to current consumer needs and motivations Covering critical topics such as experience economy and tourism experience management this reference work is ideal for managers marketers hospitality professionals academicians practitioners scholars researchers instructors and students

Strategic Marketing for Social Enterprises in Developing Nations Chiweshe, Nigel, Ellis, Debbie, 2019-06-29 Many governments in developing nations are finding it nearly impossible to address challenges posed to their countries including poverty disease and high levels of youth unemployment Thus social entrepreneurs are attempting to address these social challenges through the creation of social enterprises However further research is needed as to what social entrepreneurship is and how these enterprises can utilize and formulate marketing strategies Strategic Marketing for Social Enterprises in Developing Nations provides innovative insights for an in depth understanding of where marketing and social entrepreneurship interact providing clarity as to what social entrepreneurship is as an organizational offering what drives social entrepreneurship and the formulation of marketing strategies for social enterprises Highlighting topics such as income generating marketing management and media dependency theory it is designed for managers entrepreneurial advisors entrepreneurs industry professionals practitioners researchers academicians and students

Routledge Handbook of Hospitality Marketing Dogan Gursoy, 2017-10-02 This handbook analyzes the main issues in the field of hospitality marketing by focusing on past present and future challenges and trends from a multidisciplinary global perspective The book uniquely combines both theoretical and practical approaches in debating some of the most important marketing issues faced by the hospitality industry Parts I and II define and examine the main hospitality marketing concepts and methodologies Part III offers a comprehensive review of the development of hospitality marketing over the years The remaining parts IV IX address key cutting edge marketing issues such as innovation in hospitality sustainability social media peer to peer applications Web 3 0 etc in a wide variety of

hospitality settings In addition this book provides a platform for debate and critical evaluation that enables the reader to learn from the industry's past mistakes as well as future opportunities The handbook is international in its constitution as it attempts to examine marketing issues challenges and trends globally drawing on the knowledge of experts from around the world Because of the nature of hospitality which often makes it inseparable from other industries such as tourism events sports and even retail the book has a multidisciplinary approach that will appeal to these disciplines as well as others including management human resources technology consumer behavior and anthropology

Value Dominant Logic Gautam Mahajan, 2018-12-07 Increasing disruption diminishing returns and demanding customers require business leaders to create more value remain relevant and stay ahead of competition CEOs must evolve a value creation culture for the company in order to properly balance the interests of customers employees investors and the marketplace People who succeed succeed because they create value but they do so unconsciously Creating value consciously makes you create more value and destroy less value Doing something good or improving the well being of someone creates value You buy and re buy a product on a value basis Value dominant logic is relevant to all of us Value creation is used in all fields but is not well understood This book takes value creation to the next level showing how value is basic to human endeavor and is not focused on enough even when we try to create value Most books on value creation focus on creating monetary value for companies This book suggests that value is greatly created and enhanced by creating value for others To create value for customers one must first create value for the providers including employees suppliers and the society at large The goal is to improve the quality of life and well being This book provides ways of implementing these thoughts and educates readers about value and how to create it
