**The Big Lie** David Solway,2007 Comprises two lengthy essays explicating Solway s response to the attacks of 9 11 which caused him to reassess his dogmatic left liberal anti American and anti Zionist worldview The first essay reflects on the threat posed to Western civilization by a militant Islam a theologically inspired terrorist movement and on the ideological capitulation of the liberal and democratic West vis vis this threat The second essay On Being a Jew pp 89 244 discusses the meaning of Judaism the complex nature of Islam the demonology of antisemitism as directed against the Jewish diaspora in Europe especially and the Jewish state and the Middle East conflict Warns that terror and antisemitism are intimately related and the weakness of the West s response to the former and the waxing strength of the latter are indicators that we are living in a faltering society Muslim hostility toward the Jews and Israel is centuries old and not simply a reaction to the founding of the State of Israel in 1948 The real conflict in the Middle East is not over borders or Palestinian self determination but over the right of the Jewish people to exercise its sovereignty in its ancestral homeland Deplores the fact that not only has the Islamic world adopted Western antisemitism but the West is also adopting Islamic style antisemitism disguised as anti Zionism and is blind to the danger it poses to everything the West stands for
