Itil Lifecycle Suite:

The Official Introduction to the ITIL Service Lifecycle OGC - Office of Government Commerce,2007-05-30 ITIL was created by the UK government in the 1980s as an efficiency improving initiative This text gives an essential guide to the overall structure of ITIL and an outline of its principles **ITIL Lifecycle Publication Suite 5volset** Great Britain. Office of Government Commerce,2007 The new core ITIL titles have been commissioned and structured to be read as a five title series each building on the work of the other As the five core titles reflect the lifecycle of services their appeal encompasses the entire spectrum of people involved at any stage of the framework So without being the prime audience everyone involved will benefit from access to the entire library Publications in the Suite Service Strategy Service Design Service Transition Service Operation Continual Service Improvement The suite of titles offers considerable costs savings against purchasing all five titles individually [ITIL lifecycle suite](#) ,2011 The ITIL 2011 Editions have been updated for clarity consistency correctness and completeness ITIL is based upon a lifecycle approach and the core guidance consists of five publications ITIL Service Strategy ITIL Service Design ITIL Service Transition ITIL Service Operation ITIL Continual Service Improvement Each of the five publications represents a stage in the ITIL service lifecycle With each stage influencing and relying upon the others the lifecycle moves cyclically from service strategy where the business requirements are set to the design transition operation and continual improvement of IT services The lifecycle is driven by business needs and requirements and has a continual feedback system built into every stage to ensure that an organization s service management offering continues to provide measurable value to the business The process based framework of the service lifecycle can be adopted and adapted by organizations of all types and sizes *ITIL® lifecycle suite books.
