

TOEFL iBT Writing

Practice Test 1

Integrated Task

toeflieltsonline.org

Task 1 Writing Based on Reading and Listening

Directions

20 minutes

For this task, you will read a passage about an academic topic and you will listen to a lecture about the same topic. The may take notes while you read and listen.

Then you will write a response to a question that asks you about the relationship between the lecture you heard and the reading passage. To respond, the question asks you to compare or contrast using information from the reading passage and the lecture. The question does not ask you to express your personal opinion. You may refer to the reading passage again while you write. You may use your notes to help you answer the question.

Typically, an effective response will be 150 to 225 words. Your response will be judged on the quality of your writing and on the completeness and accuracy of the content.

Use yourself 5 minutes to read the passage.
